

**OUR BOYS ARE
"OVER THERE"**

WE had Liberty and Democracy to work for in former Liberty Loan drives. But NOW our boys are "over there" depending upon us stay-at-homers to back them up. Let's show 'em that our patriotism is not of the "BLANK CARTRIDGE" kind, and put the 4th Loan over the day it starts.

Willamette Chapter To Elect Officers

At the last meeting of the Executive Board of Willamette Chapter, it was decided that a special meeting of the members of Willamette Chapter be called to elect a nominating committee for the purpose of selecting executive officers for the chapter for the ensuing year. This meeting is to be held at the Commercial Club Auditorium, September 19, 1918, at 7:30 p. m.

The names selected by this committee will be recommended for election at the first annual election of officers to be held at a subsequent date, between the 1st and 15th of October, such date to be determined at the meeting on Sept. 19.

Everyone holding a Red Cross membership card is urged to be present.

The present officers whose successors are to be chosen are listed below:

- Chairman—Harry W. Meyers;
- First Vice Chairman—Mrs. B. O. Schucking;
- Second Vice Chairman—August Huckestein;
- Treasurer—D. W. Eyre;
- Secretary—Mrs. Arthur S. Benson;

- Chairman of Educational Committee—Mrs. Lawrence T. Harris;
- Chairman of Canteen Committee—William Gahlsdorf.

No salaries or remuneration of any kind is connected with this work.

Meetings of this executive board are held each week, and matters of considerable importance are transacted at these meetings in addition to the regular routine handled through the Secretary's office daily.

It is important that capable and representative members should be elected, as this patriotic work requires constant and careful attention, and those who accept the responsibility of membership on this board should expect to devote considerable time to the work, and not be simply figure heads.

A Polk County Prize Winner

Miss Beth Ostrom returned Monday from Spokane, Wash., where she has been in attendance at the Inter-State Fair. Beth took part in four different contests and helped to carry off the honors for Oregon, which state, by the way, took more prizes, at least in the children's Industrial Contests than any of the seven states competing. In Baking Contest Beth took 2nd prize; in Judging Baking she took first; in Sewing Contest, 1st and in Judging Sewing, 2nd. Beth went to Wasco Co., several weeks ago to practice with The Dallas canning team, as she had been chosen a member of that team which was to represent Oregon in the canning contest at Spokane. Later it was found that the new rules required that all the members of the team must be from the same place, of course, disqualifying Beth. Beth, it seems, takes a great deal of interest in the Industrial Club work and as this mistake was partly due to her leaders, she did the right thing by sending Beth to the Spokane fair anyway as a representative of Oregon. Altho Beth is a Polk county girl, she went as a guest of Wasco; her expenses being paid, either by the county or by its superintendent and other club leaders. The Dallas canning team won first place in the contest which entitles it to strip to Chicago in October to contest at the National Corn Show.

Mr. and Mrs. T. S. Haley came up from Portland for a visit a week since and Mrs. Haley and Harold accompanied them back and spent the week end with them in Portland.

A. H. Craven and family returned from their Bendon trip Thursday and report a fine time although they found the coast country a little too chilly for comfort.

John E. Oleson and Miss Ida Tice were married by Judge Kirkpatrick in Dallas Wednesday.

It is reported that we are to have another wood saw in town.
