Vol. III Monmouth, Ore., Apr. 11, 1919 No. 15

Written and Edited by Students of Monmouth High School

It has been the custom of M. H. S. in the last four or five centuries to have every year an "old clothes" day; also to have a "hard time" party in the evening of the Day of days. This latter custom was broken when the annual party was postponed until an evening later, and again when the parents were invited to the "Frolic". Miss Doughty is responsible for this, and I am sure that we all wish to thank her for her idea.

The evening was spent in listening to a program and in playing a number of games, led by Mr. Ostrom, to whom we owe a good deal toward our good time.

The program consisted of
Welcome address—Clay Moreland
Reading—Dorcas Conklin
Solo—Hope McDonald
Talk—Miss Gaylord
Duet, Ukulele—Grace Graham and Ethelva Elkins
Talk—Mr. Wolverton
Song—Boys' Trio, Hugh Bell, Paul Sayre, Denzel Moore
Talk—Mr. Gentle

The Monmouth H. S. wishes to thank everybody who took part in the program last Saturday night.

Miss Hislop wants it mentioned that, this time, the cups were washed clean, because she helped wash them.

Did you hear about the fight? No!—When?—Where?—Last Saturday night, 5 gallons of coffee soaked 9 dozen doughnuts!

General assembly was held on Wednesday the ninth. The Students were favored by a talk by Hon. James Hinkle about his experiences. He also gave a very interesting demonstration of the American gas mask. After this a Student Body meeting was held in which a "grand plea" was made to those who had not paid their dues to do so immediately.

From now on there will be no more fooling for some of the members of M. H. S., because they have started practicing on the High School play. This is going to be a "buster" and we want everybody to look forward to the best play Monmouth High ever staged.

Miss Imogene Richards was a welcome guest in Monmouth the last of last week and the first of this. She attended the party Saturday night and came to school Monday. No wonder one of our Senior boys was so happy!

Mr. Tavenner was a guest at the party Saturday night and brought with him Miss Norma Calbreath and Ruth Mills, a former student of M. H. S.
