KNOW IT WELL

Familiar Features Well Known to Hundreds of Monmouth Citizens

A familiar burden in many a home,
The burden of a "bad back."
A lame, a weak or an aching back
Often tells you of kidney ills.
Doan's Kidney Pills are for weak kidneys.

Here is good testimony to prove it. Mrs. R. L. Dashiell, Ash St., Dallas, Ore., says: "I don't hesitate to recommend anything I know to be of benefit to others, and speaking from personal experience for Doan's Kidney Pills I know they are a medicine of merit and very reliable for kidney troubles. Whenever I notice my kidneys are not acting as they should a few doses of Doan's Kidney Pills relieve me." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Dashiell had. Foster-Millburn Co., Mfrs., Buffalo, N. Y.

It's the Fixtures that Make the Silo

Compare Our Fixtures with Others

There's a big difference in the "fixtures" you get at the prices asked for different silos.

Compare fixtures when you buy a silo. It is the fixtures that make a silo. Durability, security and stability are determined by the anchorage, the size, quality and number of cables, hoops, lugs and staples. Convenience and ease of getting at your silage for use are determined by the door and ladder construction.

Many silos are priced without hinged doors or ladders.

In other words, you pay as "extras" for necessary conveniences without which your silo is incomplete.

Notwithstanding our lower price, we include more and better fixtures than many who ask more for their silos. In some cases we supply more of a given item than others, as in anchorage cable. In others, our fixtures are stronger or better in whatever vital point determines their value.

Keep this ad and check our fixtures as described above, with those offered by other silos. Don't pay more and get less, or buy half a silo when you can get a complete one.
