**WHAT THE KIDNEYS DO**  
 Their Unceasing Work Keeps Us Strong and Healthy  
 All the blood in the body passes through the kidneys once every three minutes. The kidneys filter the blood. They work night and day. When healthy they remove about 500 grains of impure matter daily, when unhealthy some part of this impure matter is left in the blood. This brings on many diseases and symptoms—which vary widely but may include pain in the back, headache, nervousness, hot, dry skin, rheumatic pains, gout, gravel, disorders of the eyesight and hearing, dizziness, irregular heart, debility, drowsiness, dropsy, deposits in the urine, etc. But if you keep the filters right the danger is overcome. Doan's Kidney Pills have proven an effective kidney medicine.  
 W. W. Manter, retired farmer, S. Thirteenth & Jefferson Sts., Corvallis, Ore., says: "It has been a good many years since I have had occasion to take a kidney medicine. From past experience I can recommend Doan's Kidney Pills as being a reliable medicine for kidney trouble. I have found them to be all that's claimed of them when I was troubled by my kidneys."  
 Price 60c, at all dealers. Don't simply ask for a [kidney remedy]—get Doan's Kidney Pills—the same that Mr. Manter had. Foster-Millburn Co., Mfrs., Buffalo, N. Y.

**A tractor that will fit your farm—the Fordson**

**YOU** can make your farm produce more—at less cost—and with less effort on your part—by using the Fordson tractor. Not only will it help you prepare your land and cultivate the crops, but it furnishes power for many other farm jobs.

The Fordson tractor is the result of long study of farming conditions and it has proved a success. Burns kerosene—easy to operate and care for—practically trouble-proof.

**There's an Oliver No. 7 Plow for your Fordson**

Just as the Fordson tractor gives ideal power, the Oliver plow means ideal plowing. It is scientifically designed for tractor service—and is backed by a half century of experience in making plows. It buries all trash and weeds at the bottom of the furrow—maintains an even depth of furrow—and is controlled from the tractor seat.

Come in and let us show you this remarkable farm team.
