ALL WRONG

The Mistake is Made by Many Monmouth Citizens

Look for the cause of backache. To be cured you must know the cause. If it's weak kidneys You must set the kidneys working right. A resident of this vicinity shows you how.

Mrs. Sarah S. Ross, Sixth & Chicago Sts, Albany Ore., says: "I suffered everything from inflammation of the bladder. My kidneys acted irregularly. My back ached so badly, I couldn't stand very long at a time. I finally was relieved almost from the first. Two boxes practically cured me of inflammation of the bladder, gave me a strong back and restored me to good health." Price 60 cents at all dealers. Don't simply ask for a kidney remedy—get Donn's Kidney Pills—the same that Mrs. Ross had. Foster-Millburn Co., Mfrs., Buffalo, N. Y.
