FROM EVERY POINT OF VIEW

MUNSING UNDERWEAR IS SATISFACTORY. IT'S EASY on your pocketbook because of its durability and washability, and it's low original cost. IT'S PLEASANT to feel of, to touch, and wear next to the skin, because of its fine quality. It's agreeable to look at. It actually improves in appearance after each trip to the laundry. It's a splendid foundation for a stylish dress, because it fits the form perfectly. Several million Americans think it the most sensible, serviceable and satisfactory underwear they can buy. They must think so or else the demand for Munsingwear union suits would not increase so rapidly each succeeding season. NEW FALL AND WINTER WEIGHTS ARE NOW IN. Come and give them a look over.

The Fall Demand for Fordsons Has Swept Far Past the Supply

Word has come from the factory that Fordsons will go only to those sections forwarding signed orders.

Oregon's Fordsons will not come unless signed orders go after them.

We are doing our share, the factory is telegraphed daily of Fordson orders received.

We cannot get our allotment unless we act at once. Plenty of sections are after our portion.

You know the Fordson and Fordson economy.

You know the Fordson's efficiency and it's endurance.

You know the Fordson company and its insistence that parts and repair service be within your easy reach.

Throughout Oregon, hundreds are ordering their Fordsons NOW.

THINK - Act at once. Some will be disappointed.

IT NEED NOT BE YOU.

Gladly will we give you full details.
