

OREGON NEWS NOTES OF GENERAL INTEREST

Principal Events of the Week Briefly Sketched for Information of Our Readers.

David M. Smutz, aged 75 years, veteran of the Civil war, died in Dallas. The week of March 22 to 27 will be pure-bred livestock week in Lane county.

George Taylor Cotton, a merchant of Lebanon for 40 years, died at the age of 73 years.

Secretary Houston has approved application for a charter of the First National bank of Madras.

The Dalles now boasts one of the finest and most up-to-date apartment houses in the Inland Empire.

Directors of the Lane County Fair association announce the building of a goat and sheep building 30 by 200 feet.

The 1920 consistory class of Eugene, Scottish Rite Masons, elected Judge John B. Coke of Marshfield, president.

The annual conference of the Oregon Daughters of the American Revolution was held in Albany with 100 delegates and state officers present.

Harold Cook, an employee of the state engineer's office, has been retained to direct the activities of the Salem Boy Scouts at a salary of \$1800 a year.

Business men of The Dalles are planning to establish a modern airplane field on the old county poor farm site just west of the city limits.

One-fourth of the \$100,000 necessary for construction of the new Salem hospital has been pledged by physicians of Marion, Polk and Yamhill counties.

The American Jersey Cattle club has withdrawn its support from the state fair, transferring it wholly to the International Livestock show at Portland.

The Medford Elks lodge has grown so rapidly the past year that at the last meeting it was decided to put up a \$7000 extension to its building at once.

The White Cooking club of Hubbard in Marion county is the first club in the state to have 100 per cent of its members finish the required work.

Prohibition has not increased the use of drugs in Oregon, declare narcotics operatives working for the United States internal revenue department.

E. D. Cusick, former state senator from Linn and Lane counties, was elected exalted ruler of the Albany lodge of Elks in the annual election of officers.

The animal husbandry department of O. A. C. has received a shipment of 10 head of pure bred Hampshire ewes, purchased from I. T. Edwards of Kimberley, Idaho.

At a meeting of the state advisory board of the Salvation Army home service programme for 1920, a convention was called to meet in Portland March 17.

The University of Oregon won the championship of the International Triangular Debating league, composed of the Universities of Idaho, British Columbia and Oregon.

The register of the Roseburg land office has issued a statement that all exservice men will be given preference rights in filing on land known as the Oregon and California land grants.

Gold order certificates, payable to a given bank, held by that bank in its vaults not endorsed, are not legal reserve, according to a legal opinion given by Attorney General Brown.

Samuel Strohecker Jr. of Corvallis has been nominated by Representative Hawley as alternate to the military academy at West Point to succeed Delmar L. Bond of Salem, who resigned.

Damage to forests in Oregon last year as the results of fires totaled about \$600,000, according to the annual report of F. A. Elliott, state forester.

Salem chapter, American War Mothers, at a meeting outlined plans for endowing a four-bed ward in the proposed new Salem hospital in honor of the returned veterans of the world war.

The herd law in effect in Umatilla county, which provides against livestock running at large, is utterly unconstitutional, according to a legal opinion given by Attorney General Brown.

The part time schools which have been in vogue in Wisconsin for the past eight years are a success and have done much toward furthering the educational advantages of that state, according to J. A. Churchill, state superintendent of public instruction, who returned to Salem after three weeks spent in the east and middle west.

Albany school teachers will receive a material increase in salaries for the next school year. Because of lack of funds the school board has been unable to meet requests for a big raise this year, but a budget \$11,500 greater is available for next year's work and the board has decided to use all of this increase for the payment of larger salaries.

The Marion county court went on record favoring an appropriation of \$10,000 to aid in construction of a community house for the American Legion, as authorized by the last legislature.

Boys and girls between the ages of 15 and 18, who are employed and who have not finished the eighth grade, must attend part-time school in Oregon City, according to an order issued by the school board.

Marion county through the county court, has offered to contribute \$25,000 to the construction of the proposed new Salem hospital on condition that the remainder of the necessary \$100,000 is made available.

The inventory and appraisal of the estate of Dr. Bernard Daly of Lakeview, who died recently, shows a total value of \$733,628.57, more than \$500,000 of which is in government, municipal, school, county and road bonds.

By a vote of 217 to 30 the city of Seaside has bonded itself for \$263,000 for the construction of a pier into the Pacific ocean, a system of bulkheads on the ocean front and a new hard-surface driveway through the entire city.

The recent threat of labor to petition state officials to oust from their employment all married women whose husbands are capable of providing for their support, appears to have stimulated rather than deterred marriages of girls on the state payroll.

The students of Baker high school have purchased a new, high-class motion-picture machine and have booked a long series of excellent film productions, which will be projected upon the screen in the high school auditorium one evening in every week.

Robbers broke into the vault of the Seio State bank at Seio and escaped with an unknown quantity of Liberty bonds, War Savings Stamps and some cash secured from rifling the contents of boxes, which may total as high as \$50,000. No attempt was made to open the main safe.

A questionnaire is being sent to all the high school principals in the state by Dr. John Landsbury, dean of the school of music of the State University, in an attempt to gain their cooperation in making high school credits in music worthy of being rated as university entrance credits.

With national leaders present, and a great majority of the Baptist minister of the state in attendance, Baptist leaders met at the White Temple in Portland to formulate plans for the nation-wide campaign for \$100,000,000. Oregon's apportionment of this fund will be \$1,450,000, it was announced.

Because Oregon and California face an "unprecedented shortage of water for either hydroelectric power or irrigation purposes," the Geary Investment corporation of Oregon, and the California-Oregon Power company, a California corporation, will bury the hatchet this year and allow water storage in the Upper Klamath lake.

Approximately 400 acres of worthless swamp land in Douglas county will be made worth between \$300 and \$400 per acre by the new drainage project outlined by Professor C. F. Johnson, drainage expert of the Oregon Agricultural college, and County Agent C. J. Hurd. The lands are situated in the Looking Glass and Yoncalla valleys.

According to reports announced by the city health bureau there are 11 cases of sleeping sickness in Portland at present. Deaths from the disease to date total eight, of which six were reported in December, one in January and one in February. Sleeping sickness is comparatively new here, and no record of cases was kept prior to last December.

Receipts of the automobile department for February, 1920, as shown by a report issued by the secretary of state were \$200,856, as against \$38,796.50 for the same month in 1919. The large increase is due, according to Sam A. Kozer, in charge of the motor vehicle department, to the new law, which increased the license fees for all classes of motor vehicles.

Eight democrats and five republicans have filed formal declaration of their candidacy for delegates to their respective party conventions. Fully a score of republicans have been mentioned as possible candidates or have expressed a desire to be delegates, but they have not taken the trouble to file with the secretary of state. Half a dozen democrats are preparing to file.

Under the market road act there will be available about \$2,000,000 during this and succeeding years for the development of strictly market roads in the various counties. Through the action of this law the state will eventually be webbed to the most remote sections by feeder roads. The law was enacted in 1919, with some amendments at the special session in 1920, and it will be placed in operation this year. Because of the importance of laying a suitable groundwork for future development of the market road system, the state highway commission has for months been working out a policy for applying the enactment. The result of this exhaustive research and investigation has been embodied in a set of regulations which has just been issued by the commission.

Catarrh Cannot Be Cured
with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Medicine is taken internally and acts thru the blood on the mucous surfaces of the system. Hall's Catarrh Medicine was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Medicine is what produces such wonderful results in catarrhal conditions. Send for testimonials, free.

"You Can't Get Away from It" says the Good Judge

A little of the Real Tobacco Chew gives more genuine satisfaction than the big chew of the old kind.

Saves money, too—because this class of tobacco lasts much longer. The rich tobacco taste stays right with it.

Any man who uses the Real Tobacco Chew will tell you that.

Put Up In Two Styles
RIGHT CUT is a short-cut tobacco
W-B CUT is a long fine-cut tobacco

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will 'one up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.

Chamberlain's Tablets

The Dependable Tractor That Burns Kerosene Perfectly

The 12-25 H. P. Waterloo Boy Tractor is just the kind of machine that we like to put into the hands of our customers.

That saves motor trouble—no kerosene gets into the lubricating oil. There is no carbonizing of cylinders or fouling of spark plugs.

And it saves many dollars in fuel cost every year of its operation.

You are sure to like all of the Waterloo Boy's other features. It is simply made; easy to keep in good running order. The working parts, fully protected from dust, are placed where you can easily get at them, whenever necessary, through inspection plates and detachable casings. The motor, perfectly balanced and mounted on a solid foundation, runs with only slight vibration—no racking of mechanism. Gears are steel-cut and case-hardened—practically everlasting. It is equipped with Hyatt Roller Bearings, famous throughout the world for conserving full power. All bearing points and gears are kept constantly in a bath of oil by the perfect system of lubrication.

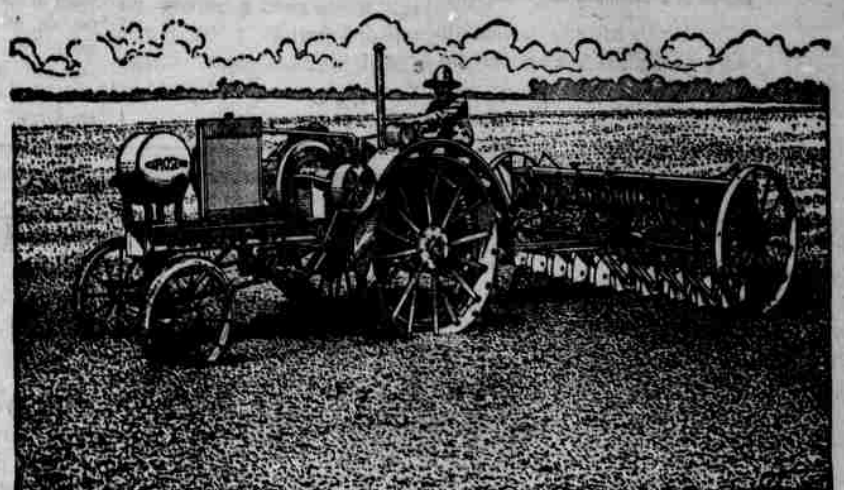

There is nothing experimental about it. Its dependability has been fully proved in years of service on the farm. Every time we sell one, we feel the assurance that the owner is going to get fully satisfactory service from it. And that means a great deal to the future of our business.

Right along with its dependability for long-continued good work, there is another big feature that you will appreciate every day you use the Waterloo Boy.

It burns kerosene perfectly. Its patented kerosene manifold—one that you can get on no other tractor—converts all of the low-priced fuel into a pure gas, enabling the motor to get full power from every drop.

Be sure to come in some day soon and get fully acquainted with the Waterloo Boy.
