The Present Fordson Tractor

is the Field Masterpiece

resulting from the experience of building, and testing and improving 32 different types of tractors.

In the seven years preceding the building of the present Fordson Henry Ford made little tractors, he made big tractors and all the intermediate sizes. He made tractors a little smaller than the present Fordson, he made them a little larger and discarded them.

He made, improved and tested nearly all sizes and types and then decided upon the present size and kind.

It is the resulting refinement of years of experiments.

For the highest efficiency in Pep, Power and Ease of handling the Present Fordson took the premium.

Before the Fordson was offered to the public it was a perfected, Tested and Tried Field Masterpiece.

There are about 150 Fordsons now working in Polk county. There is no risk in buying a Fordson, It is the Proven Field Masterpiece.

"Let's top it off with a good smoke"

—Chesterfield

NOTHING touches the spot like a good smoke—and nothing can touch Chesterfields for genuinely "satisfying" body and flavor.

In Chesterfields the finest of silky, aromatic Turkish and rich, mellow Domestic tobaccos are blended to bring out a new and finer quality of flavor.

Now you know why Chesterfields "Satisfy!" And because this blend is exclusive and cannot be copied, only Chesterfields can "satisfy!"

Each package is wrapped in moisture-proof, glassine paper that keeps all of the original flavor intact.
