Local Brevities

There will be a pie social held by the Elkins Farmers' Union at the schoolhouse, Friday evening, April 9. One of the interesting features of the evening will be a guessing contest based upon the baby pictures of people of the community.

Mr. B. Wise Says: Why Don't You Sleep at Night

"Sleep, O Gentle Sleep--
Nature's Soft Nurse, how
have I
Frightened Thee,
That thou no more wilt weight
my eyelids down,
And steep my senses in forgetfulness."

Nature

Has provided sleep, that great
balm to hurt minds--sleep that
knits together the nerves for another
day's arduous duties.

But

Many cannot sleep.

Sleeplessness

Or insomnia, is one of the prominent
symptoms of eye strain.

There

Is danger that it will lead to
other disorders.

Glasses

Carefully fitted to the needs of
the eye, will so often soothe the
nerves and make sleep possible to
the sleepless.

Let's Put in a Pedestal Basin

in your lavatory. It will be a fine
and enduring gift to the entire
family. It will turn a duty into
pleasure. It will add to the attractiveness
of the room and to the value
of your home. It will save
money for you, too. Its sanitary
features are great health preservers.

The State University Agricultural College and the State Normal

have for many years spent less money per student per year in training Oregon boys and girls than is spent at any other state institution. The present cost at the State University is \$203 a year; at the College it is \$180. But even before the war when money would buy twice as much as it buys now, the average cost at all other state institutions was \$325 a year. In addition

Their Building Investment is also very low

At the State University it is at present \$322 per student; at the College \$300. But in state institutions elsewhere statistics show the average to be \$995. These are convincing proofs of economical administration, but the three institutions can no longer give satisfactory training to the vast number of Oregon boys and girls (5400 in fulltime courses alone), unless they receive more support.

On May 21 the Higher Educational Relief measure will appear on the ballot. You are urged to preserve the quality of higher education by voting for it.
