### Over Twice as Many to Educate But Only Half as Much Money to Educate With

That is why the Oregon Agricultural College, the State University, and the Normal School cannot maintain themselves on the old basis. In 1913 they

Had Only 2250 Students, but they Now Have 5400 Students

In addition their income in 1913 had twice the buying power of their income in 1920, due to the worldwide rise in costs over which of course they could have no control.

The foregoing is one of many equally good reasons why you should vote for the Higher Educational relief bill at the election on May 21. Save the quality of higher education in Oregon, and give YOUR boy and girl, and YOUR NEIGHBOR'S, their rightful educational heritage.

### After Three Years

This Testimony Remains Unshaken. Time is the best test of truth. Here is a Dallas story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. Mary E. Gilson, 614 Church St., Dallas, Ore., says: "I have used Doan's Kidney Pills and they have also been taken by other members in my family. We think they are the best kidney medicine to be had. Doan's act quickly, removing the trouble in short order."

THREE YEARS LATER, Mrs. Gilson said: "I consider Doan's Kidney Pills just as good today as I did several years ago when I recommended them. I have never found a medicine equal to them for kidney trouble. It has been several years since I used a kidney medicine." Price 60c, at all dealers.

Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mrs. Gilson had. Foster-Milburn Co., Mgrs., Buffalo, N. Y.
