"A Word to the Wise"
 says the Good Judge

You want real chewing satisfaction.
 A little of the Real Tobacco Chew lasts so much longer than the old kind.
 You don't need a fresh chew nearly as often—so it costs no more to chew this class of tobacco.
 Any man who uses the Real Tobacco Chew will tell you that.

RIGHT CUT is a short-cut tobacco
W-B CUT is a long fine-cut tobacco

STOMACH TROUBLES

AN IRRITABLE, fault finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach troubles by Chamberlain's Tablets after years of suffering. These tablets strengthen the stomach and enable it to perform its functions naturally. Try them. They only cost a quarter.

Reports from the Long Creek and Muddy Creek districts in Baker county are to the effect that a second winter is being experienced, and hay is becoming so scarce that there is likely to be a severe loss of stock if the winter lasts much longer. Because of the snow, all farm work has been discontinued.

Practically all the laws passed at the special session of the legislature last January, with the exception of those vetoed by Governor Olcott and others contingent upon approval of the voters at the election to be held on May 21, will become operative April 17, according to announcement made by Sam A. Koser, assistant secretary of state.

Petitions asking that the name of Leonard Wood be placed on the republican preferential ballot at the primary election to be held on May 21 were filed with the secretary of state. The petitions were signed by more than 2000 voters of Oregon and were brought to Salem by Dow V. Walker and J. D. Zuecher, both of Portland.

J. G. Kelly of Portland filed with the state engineer application for permission to construct what will be known as the Marion lake reservoir, at the headwaters of the north fork of the Santiam river, for the storage of 28,155 acre feet of water, and the appropriation of the stored water for the development of 26,632 horsepower.

At a special municipal election at Baker, two measures, one authorizing the bonding of \$40,000 to provide funds for construction of a dam on the city's Goodrich creek reservoir site to store water to augment the present supply, and the other measure authorizing bonds for the construction of better and larger quarters for the fire department, passed.

There were four fatalities due to accidents in Oregon in the week ended April 8, according to a report prepared by the state industrial accident commission. The victims were Thomas L. Heninger, rip Sawyer, Portland; Charles W. Miller, millman, Klamath Falls; William R. Illingsworth, logger, Tillamook; and W. F. Coulter, logger, Bates.

Nearly a million dollars—\$929,497—was saved to the farmers of Oregon throughout the work of the county agents, according to the annual report of Paul V. Maris, county agent leader. This was done at a cost of \$99,476, or approximately \$10 saved to \$1 spent. County agents were employed in 23 of the 36 counties of the state last year and three additional counties have employed agents this year.

Opinions of attorneys have extinguished hopes of members of the Hood River Anti-Asiatic league, who had proposed that an exclusive initiative law for Hood River county be invoked for preventing Asiatics from owning land in the case of failure of state or national legislation regulating the land tenure. While the initiative, as result of an enabling bill enacted by the last legislature, may be invoked for the regulation of officials' salaries, municipal or special legislation pertaining particularly to the counties, attorneys declare land tenure of a general nature.

By far the highest prices in the history of the industry on the Columbia river will be paid for Chinook salmon during the season which opens at noon on May 1, if the demands of the fishermen prevail. The Columbia River Fishermen's Protective union has set the price at 14 cents a pound for small or cannery fish, those weighing less than 12 pounds each, and 16 cents a pound for large, or cold storage fish, those weighing 23 pounds each or over. This is an advance of 2 1/2 cents per pound for small fish and 4 1/2 cents a pound for large fish over the figure which prevailed last year.
