Women Give Out

Housework is hard enough when healthy. Every woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Albany woman's experience:

Mrs. F. R. Stewart, 4th & Jackson St., Albany, Oregon, says: "I have been taking Doan's Kidney Pills for the past two years and have found them to be an excellent remedy for kidney and bladder trouble. Before I knew of Doan's I suffered a great deal with my back. At times it ached so across my back and kidneys, I couldn't rest day or night. In the morning was weak and tired and it was all I could do to drag myself around. My kidneys acted irregularly, too. Different remedies I tried gave me no relief until I started taking Doan's Kidney Pills. The first box or two gave me relief. I continued taking Doan's for a couple of months and they brought me out of my trouble in fine shape. Since then when I notice my kidneys are not acting as they should, I take a few Doan's and they never fail to remedy the trouble."
