#### After Three Years

This Testimony Remains Unshaken  
Time is the best test of truth. Here is a Dallas story that has stood the test of time. It is a story with a point which will come straight home to many of us.  
Mrs. Mary E. Gilson, 614 Church St., Dallas, Ore., says: "I have used Doan's Kidney Pills and they have also been taken by other members in my family. We think they are the best kidney medicine to be had. Doan's act quickly, removing the trouble in short order."  
THREE YEARS LATER, Mrs. Gilson said: "I consider Doan's Kidney Pills just as good today as I did several years ago when I recommended them. I have never found a medicine equal to them for kidney trouble. It has been several years since I used a kidney medicine." Price 60c, at all dealers.  
Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gilson had.

Another Royal Suggestion

## PIES and PASTRIES

From the NEW ROYAL COOK BOOK

**CHEER UP!** There is no further reason for worrying about table variety. The new Royal Cook Book gives new suggestions for every meal every day. The book is so full of surprises there will never be another dull meal in the home. Here are a few suggestions from the new Royal Cook Book.

**Plain Pastry**

This recipe is for one large pie with top and bottom crust

2 cups flour  
1/2 teaspoon salt  
2 teaspoons Royal Baking Powder  
1/2 cup shortening  
cold water

Sift together flour, salt and baking powder; add shortening and rub in very lightly with tips of fingers (the less it is handled the better the paste will be). Add cold water very slowly, enough to hold dough together (do not work or knead dough). Divide in halves; roll out one part thin on floured board and use for bottom crust. After pie is filled roll out other part for top.

**Rich Pastry**

2 cups pastry flour  
1/2 teaspoon Royal Baking Powder  
1/2 teaspoon salt  
1/2 cup shortening  
cold water

Sift flour, baking powder and salt; add one-half shortening

**Apple Pie**

1 1/2 cups flour  
1/2 teaspoon Royal Baking Powder  
1/2 teaspoon salt  
2 tablespoons shortening  
4 apples, or 1 quart sliced apples  
2 tablespoons sugar  
1 teaspoon milk

Sift flour, baking powder and salt; add shortening and rub in very lightly; add just enough cold water to hold dough together. Roll half out on floured board, line bottom of pie plate; fill in apples, which have been washed, pared and cut into thin slices; sprinkle with sugar; flavor with cinnamon or nutmeg; wet edges of crust with cold water; roll out remainder of pastry; cover pie, pressing edges tightly together and bake in moderate oven 30 minutes.
