Warning Again

A year ago we warned you and urged you to place your Fordson order early. SOME acted and the rush of fall work found them equipped and ready with the powerful

Fordson

Other Farmers read our note of warning but TOOK a CHANCE. And for a period of several weeks last fall we scoured the country in a fruitless effort to pick up some stray Fordson. They took the chance of waiting and lost. This year it is more important than ever to place your order at once.

The Ford car for efficiency and economy stands above competition. The Fordson car for efficiency and economy stands unapproached by competition.

Considering size and weight the Fordson is the world's most powerful kerosene tractor: Its cost is low if you consider quality: FACTS which you know:

Place your order now. A line to us will bring full details

Southern Pacific Lines

JOHN M. SCOTT, General Passenger Agent,

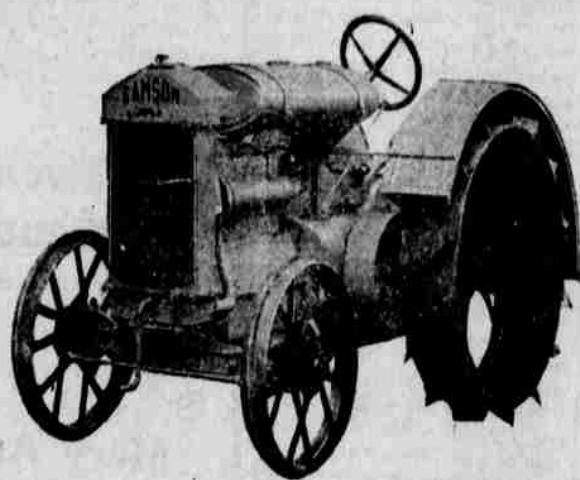

Buy Your Groceries in Quantities

Wise management means saving, and here is an opportunity to save. Buy in bigger quantities. We can sell for less when you buy in dozen or case lots. There will be a saving in your expenses if you will adopt the system of quantity buying for your requirements. The thrifty housewife knows that a well-stocked pantry is always an economy and a keen satisfaction when preparing the meal. Ask for quantity prices on staple groceries and note the saving.

Miller Mercantile Company

Seven popular Stores:

Monmouth, Salem, Newberg, Yamhill, McMinnville, Sheridan and Dayton

If you are operating your farm for profit you cannot afford to be without a Samson Model "M" tractor or heavy draft and heavy belt-power work.

SAMSON

TRACTORS AND TRUCKS

Will Increase in Price August 1st

Get your tractor now at the old price while we have some in stock

PRICE \$1005

Complete with platform, fenders, governor, power take-off, brackets for canopy top and regular cleats.

The Samson Model "M" Tractor is the last word in modern tractor construction. It is a close coupled power unit all by itself from radiator to rear wheels. Every working part is enclosed and protected from dust, mud or rain.

The even distribution of weight, compact design and low center of gravity give to the Samson greater stability. It hugs the ground.

Before you buy a tractor of any make be sure and see the Samson Model "M" Tractor.
