

In Range of Power, Efficient and Delivered The Fordson Stands Supreme

With the Fordsons--

Low speed at 1 1/2 miles per hour, its Intermediate or plowing speed at 2 1/2 miles per hour and its high gear of 6 1/2 miles per hour, the Fordson offers a range of power unapproached by other makers.

The high gear permits your getting to and from your field quickly and with a cool motor. It gives quick pulling service for field and road work.

In shifting from intermediate gear to low you get an increased draw bar pull of full FORTY PERCENT. Consider a moment the value of this ample reserve for the toughest job or steepest hill.

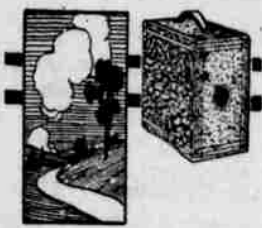

THE FORDSON'S LIGHT WEIGHT, its RANGE OF POWER, its efficient final WORM DRIVE, together with the wonderful power of its motor, make the Fordson Supreme in Efficient Delivered Power. Farm your Hills With a Fordson.

Evangelical Church Notes
Sunday, August 1. Morning Worship at 11. Subject: "How to Come to Christ". In this discourse we will endeavor to show what it was to come to Christ when he was here in the flesh. Second, what it means today, when we can not hear, see or feel him.

Evening worship at 8. Subject: "How to follow Christ". Sunday School at 10. C. E. at 7:15. Subject: "Self-improvement". Prayer service Wednesday, 8 p. m. Ladies Aid, Thursday p. m.

The Evangelical Sunday School picnic, held last Saturday afternoon and evening in the Park east of town, was well attended and the "feed" was great. The ice cream, made by our local dairy, was the best to be had anywhere.
