THREE YEARS LATER, Mrs. Gilson said: "I consider Doan's Kidney Pills just as good today as I did several years ago when I recommended them. I have never found a medicine equal to them for kidney trouble. It has been several years since I used a kidney medicine." Price 60c, at all dealers.

What might belong in the category of the miraculous was the accident or near tragedy that happened this morning at the intersection of C. street and the S. P. railway. As the 10:33 electric was approaching the station, G. Wiensz

of Dallas, who was accompanied by his wife and children, and driving a Ford, decided to turn on the railroad track. He made a short turn to the right and the Electric struck the left side of the car, smashing it considerably. The windshield was crushed and the two front tires shot to pieces. Mr. Wiensz drove his Ford to the Ace garage, however, and repairs were made and it was also discovered that all the occupants had escaped without a scratch or bruise.

Mrs. Wiensz has weak eyes and they were driving with the curtains on to protect them from the glare of the sun. Mr. Wiensz says he did not see the track nor even hear the train bell although onlookers say it was ringing vigorously.—Post

### Got Something You Want to Sell?

Most people have a piece of furniture, a farm implement, or something else which they have discarded and which they no longer want.

These things are put in the attic, or stored away in the barn, or left lying about, getting of less and less value each year.

### WHY NOT SELL THEM?

Somebody wants those very things which have become of no use to you. Why not try to find that somebody by putting a want advertisement in THIS NEWSPAPER?

Monmouth, Oregon, August 20, 1920  
To Our Boy Customers,

You of course have heard of the WEARPLEDGE suits made for boys, and wished your suit was insured so that mother would not be so afraid you were going to ruin your new suit every time you wore it. Our McMinnville store has a very large stock of these clothes, and has been offering them at a very liberal reduction from the regular price; so we asked the privilege of making the same offer to our Monmouth boys.

They have sent us a lot of them (Insurance policies too), sizes six to sixteen, in very desirable fabrics and best styles. The values are extremely good, but you pay TWENTY PERCENT LESS than the regular marked price. This means that we will insure you against suit troubles at a cost to you of \$11.60 to \$18.80.
