

The War is Over and War Prices Must Go

Effective at once, Ford Cars, Trucks and Tractors will be sold
f. o. b. Detroit at the following prices:

Chassis, regular, \$360	
Roadster, regular, \$395	Touring, regular, \$440
Roadster, starter, 465	Touring, starter, 510
Coupe, starter, demountable rims, - -	745
Sedan, starter, demountable rims, - -	795
Truck, pneumatic tires, demountable rims, -	545
Tractor - -	\$790

The Ford Motor Company makes this reduction in the face of the fact that it has on hand immediate orders for one hundred forty six thousand sixty four cars and tractors. The company will suffer a temporary loss while using up the material bought at high prices. They are willing to make the sacrifice in order to bring business back to a going condition as quickly as possible and maintain the momentum of the buying power of the country.

Henry Ford says, "The war is over and it is time war prices were over. There is no sense or wisdom in trying to maintain an artificial standard of values. For the best interests of all it is time a real practical effort was made to bring the business of the country and the life of the country down to regular pre-war standard."

We are at your command with regular Ford Efficiency in service and eagerness to fill your orders.

Women Give Out

Housework is hard enough when healthy. Every woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to heed this Albany woman's experience:

Mrs. J. R. Stewart, 4th & Jackson St., Albany, Oregon, says: "I have been taking Doan's Kidney Pills for the past two years and have found them to be an excellent remedy for kidney and bladder trouble. Before I knew of Doan's I suffered a great deal with my back. At times it ached so across my back and kidneys, I couldn't rest day or night. In the morning was weak and tired and it was all I could do to drag myself around. My kidneys acted irregularly, too. Different remedies I tried gave me no relief until I started taking Doan's Kidney Pills. The first box or two gave me relief. I continued taking Doan's for a couple of months and they brought me out of my trouble in fine shape. Since then when I notice my kidneys are not acting as they should, I take a few Doan's and they never fail to remedy the trouble."
