Men Not Practical.
Men are sentimental gossips. They

USED CARS
Whether you get good value for the
money invested in a used car, in our
opinion, depends entirely on the amount
of money you are required to spend to
put your car in satisfactory condition.
From experience, we know that these
figures run into a considerable amount
and your seemingly good purchase may
fast become a poor one as you pay the
bills.
When you buy from us a rebuilt and
refinished used car, you have eliminated
all the guess work. Your money buys
the maximum value and there is no big
future expense that must be taken care
of as soon as you have your car paid for.
