### After Three Years

This Testimony Remains Unshaken

Time is the best test of truth. Here is a Dallas story that has stood the test of time. It is a story with a point which will come straight home to many of us.

Mrs. Mary E. Gilson, 614 Church St., Dallas, Oreg., says: "I have used Doan's Kidney Pills and they have also been taken by other members in my family. We think they are the best kidney medicine to be had. Doan's act quickly, removing the trouble in short order."

THREE YEARS LATER, Mrs. Gilson said: "I consider Doan's Kidney Pills just as good today as I did several years ago when I recommended them. I have never found a medicine equal to them for kidney trouble. It has been several years since I used a kidney medicine." Price 60c at all dealers.

Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Gilson had. Foster-Milburn Co., Mgrs., Buffalo, N. Y.

Medict.  
Ethel—I understand she was very modest at her birthday.

Helen—Well, I should say so; she didn't have half as many candles as she ought to have had on her cake.

The Element of the Practical.  
"Is Bliggins a student of political economy?"

"No. He says that he's a practical man, and practical politics and practical economy don't mix."

### The Things They Say.

Flora—How do you manage to get a kick out of the same old movie plots all the time?

Fauna—Learn lip reading, my dear, and you'll forget there is a plot!—Flint Fun.

### The Test.

"So you think that telephone girl is phenomenally bright?"  
"Indeed, I do. I had to tell her only three times in fifteen minutes what number I wanted when she got it for me."

### Insult to Injury.

Dora—I hear you were discharged from your position.  
Dick—Yes, but I wouldn't mind that so much if they had not advertised for a boy to fill my place!
