Statements of Albany Citizens are
Always of Interest to Our Readers

To many of our readers the
streets of Albany are almost as fa-
miliar as the streets of our own
town, and we are naturally inter-
ested to read of happenings there.
The following report from a well
known and respected resident will
be helpful to numbers of men and
women here in Monmouth.

A. Skaar, contracting painter,
718 East Fourth St., Albany, Ore-
gon, says: "I am ready to speak in
favor of Doan's Kidney Pills any
time for I know from personal ex-
perience they are all that's claimed
for them. I have been taking
Doan's Kidney Pills off and on for
a long time and they have done the
work. I have always found them
just the thing to stop that misery
across my kidneys and put them in
good condition."
