

PRESIDENT'S CHOICE TO KEEP LID ON

Major Roy C. Haynes, of Hillsboro, O., is the new Prohibition Commissioner of the United States. His appointment brought a clash in Buckeye politics with President Harding over ruling his succeeding Senator, Frank Willis. Senator Willis had a nominee of his own for office, but President Harding named Haynes who was editor of the Hillsboro Dispatch and one of his earliest supporters.

STOMACH TROUBLES

AN IRRITABLE, fault finding disposition is often due to a disordered stomach. A man with good digestion is nearly always good natured. A great many have been permanently cured of stomach troubles by Chamberlain's Tablets after years of suffering. These tablets strengthen the stomach and enable it to perform its functions naturally. Try them. They only cost a quarter.

Chamberlain's Tablets

"You Save Money"
says the Good Judge

And get more genuine chewing satisfaction, when you use this class of tobacco.

This is because the full, rich, real tobacco taste lasts so long, you don't need a fresh chew nearly as often.

And a small chew gives more real satisfaction than a big chew of the ordinary kind ever did.

Any man who uses the Real Tobacco Chew will tell you that.

W'AT DO MEAN, HANDICAP?

There is a lot of fun in the world if we will only look for it, says Sunny Jack Guiney, who is now in the Massachusetts Hospital School, at Franklin Park. He finds happiness. He went out and pitched a winning game for his school's ball team the other day, every member of which is a cripple. "Just forget to be sorry for y'rself for awhile and get all the happiness you can, no matter how bad everything may seem" says Jack between throwing strikes.

Had Large Sum on Hand.

History relates that Croesus was given entertainment on one occasion by a Lydian named Pythius, supposed to have been a distant relative of Croesus. During the entertainment

Pythius informed the king that when he heard of his approach he had made careful count of all his ready money that he had on hand in gold and silver, \$24,000,000, and that he wished to present it to the king as a token

of regard.

The king hesitated about taking his money lest Pythius might be reduced to want, but Pythius replied: "My lands, estates, slaves and income-bearing property are still untouched."

This sum of money was simply cash on hand which he had not yet invested. At the rate of 10 to 1 in modern purchasing power, Pythius had ready money equaling \$240,000,000.

THE FRUITS OF LABOR

Who says that "bargain" tires are what the people want

MOST everybody knows the easy-going sort of man who never takes a tire seriously until he gets a blow-out.

How long he will resist universal tire education is a question.

But this is sure—

More people are finding out every day that between leaving things to luck and getting *real economy* there is a big difference.

Many a car-owner has come to U. S. Tires because he couldn't afford to keep on *paying* that difference.

Probably seven out of ten users of U. S. Tires came to them only after they'd had enough of "discounts", "bargain offers", "clearance sales of surplus stocks" and other similar appeals.

They have found *economy*—and they stick to it.

They pay a *net price*—not "something off list" that may not mean anything in the first place.

They get *fresh, live tires, being made and shipped* while this message is being written.

No matter where they live there's a nearby U. S. Dealer with his nearby U. S. Factory Branch.

U. S. Tires keep *moving*.

No opportunity to get old and dried out. No shifting here and there trying to find a market.

Every U. S. Tire a *good* tire, wherever you find it anywhere in the country.

Because the U. S. policy is a *good* policy that serves the car-owner all the time.

Doing the very best for him that human good faith can do.

THE U. S. CHAIN TREAD

One of the few tires of which it may be said that they deliver economy year in and year out and tire after tire.

The U. S. Chain Tread gives sufficient traction on all ordinary road surfaces. It is probably the handsomest, and by all odds the most popular, of the whole U. S. Fabric Tire line.
