Because an interval of several seconds, during which the walls of the chest remain rigid and cause oxygen starvation, always follows moments of mental disquietude; when nature demands her supply of oxygen the deep inhalation occurs, the expiration after which we call a sigh.

Hebrides Not All Gloom.

Occasionally there is a sun in the Hebrides, writes a traveler. Then the highlander sees beauty. The wild coast grass a brown-green, its sea birds a snowy white and the ocean with its innumerable waves sparkling blue. And on summer nights, when the fishermen go forth, the phosphorescent glow offers a splendid sight. "A stream of fire ran off each side from the bows," says MacCulloch, "and the ripple of the wake was spangled with the glowworms of the deep. Every oar dropped diamonds, every fish; line was a line of light, the iron cable went down in a torrent of flame, and the plunge of the anchor resembled an explosion of lightning."

That Morning Lameness

If you are lame every morning and suffer urinary ills, there must be a cause. Often it is weak kidneys. To avert more serious trouble, use Doan's Kidney Pills. You can rely on this man's testimony.

Wm. L. Poland, 1763 Van Buren St., Corvallis, Ore., says: "Some time ago my kidneys were in a weak condition. I often had backaches so badly that I couldn't straighten up. Mornings I would be lame and stiff and my kidneys were irregular in action. I read of Doan's Kidney Pills and used them. They were just what I needed and soon took the lameness and aching out of my back and rid me of kidney trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Poland had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Harold Griffis, pastor of the First Christian church of Portland, officiating. Wm. Fishback, a brother of the groom, was best man and Miss Alma Burdick, a sister of the bride, was bridesmaid. Mrs. Mary Robinson of Portland was matron of honor; Leone Burdick was ring bearer and James Hoag and Helen Burdick, flower bearers.

Miss Florence Garrett sang "At Dawning", and Miss Helen Gunton played the wedding march.

The bride wore georgette crepe over white embroidered satin, with veil and a wreath of orange blossoms, and carried an arm bouquet of white roses.

The church was beautifully decorated with roses and greenery, and the ceremony was performed under a veritable bower.

After the ceremony the happy couple were tendered a reception in the church dining hall by the members of the groom's congregation. They left at a late hour for Portland and will spend their honeymoon at Monmouth. Upon their return they will make their home in Hillsboro.

Bride and groom have been attending the University of Oregon as students and both are popular with their friends. Mr. Fishback is a graduate of the University and also of the Eugene Bible University.
