

EXTRAVAGANCE!

Have you ever observed that EXTRAVAGANCE has a great deal to do with putting the "mis" in misfortune?

Generally the one who says he has had nothing but hard luck is the one who foolishly spent his money when he had it. One simply cannot get ahead or amount to anything in this world unless he can save a part of what he earns. Only by so doing can he accumulate the funds that will enable him to grasp the opportunities that later mean SUCCESS.

Too Long Without Paint

Are You Insuring Against Depreciation

THERE'S no middle ground. Either your buildings are well protected by paint or they are going to require costly repairing or rebuilding within a few years.

Paint saves your property. It is an investment in long service—not an expense. The expense results from allowing buildings to rot. Paint now. Save repairs.

The next question is what paint to use. Use the best. It costs less in the long run. It spreads easily—saves labor cost. It covers more surface per gallon than "cheap" paint.

And the best paint will serve you five or more years longer than "cheap" paint.

The best paints are scientific in formula and preparation. We've made them for 73 years—to meet the weather conditions in the West.

The best materials—PIONEER WHITE LEAD, pure linseed oil, pure zinc and pure colors—are combined in Fuller's Paints in scientifically exact proportions with long-time skill.

Indigestion

DO YOU KNOW that indigestion can be cured, permanently cured, so that you can eat any kind of food that you crave? It has been done not only once, but in almost every case when Chamberlain's Tablets are used. An instance: Mr. J. Pominville, Stillwater, Minn., who had spent over \$2,000.00 for medicine and treatment was permanently cured by these tablets.

AIRLIE

A visit at the Airlie school showed every interest: "up and coming", under the efficient management of Prof. Nicolle, the principal, with his able corps of teachers. Both the High school and the grades are full of work and energetic application. The whole school is housed in one large building, four rooms in all, with a large play house and gymnasium for use in rainy times.

How Many Will Give One Dollar?

WALTER M. PIERCE is making a gallant fight, almost single handed, to be elected Governor of Oregon. He has no funds to pay the expenses of his campaign. The issue he makes is Reduced Taxes, and he promises if elected, to use every power vested in the Governor to lessen the taxation that now rests so heavily upon the backs of the people.

No powerful corporations are behind Pierce; nobody but the plain people. His election depends upon them alone. Don't you feel it your duty to help him in his worthy fight by contributing One Dollar to his expenses? It isn't much for any one to give, but there are many plain people, and if you help a little the battle will be won. It will make a clean campaign and elect a clean man.

Please send your dollar today, together with your name and address, and the contribution will be acknowledged by return mail.

Putting Pierce in means putting your taxes down!
