

EXTRAVAGANCE!

Have you ever observed that EXTRAVAGANCE has a great deal to do with putting the "mis" in misfortune?

Generally the one who says he has had nothing but hard luck is the one who foolishly spent his money when he had it. One simply cannot get ahead or amount to anything in this world unless he can save a part of what he earns. Only by so doing can he accumulate the funds that will enable him to grasp the opportunities that later mean SUCCESS.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the blood on the mucous surfaces of the system. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.
