Think Ahead

Think ahead! Decide right now that you too, will be a "somebody." Start next pay day to save a part of what you earn. Then be determined to save SOMETHING, no matter how little, each succeeding pay day.

When you open a Savings Account with this bank, we will present you with a Liberty Bell Savings Bank to assist you in saving. The Liberty Bell Bank is an ornament for any home. It can be placed on the mantle, there to receive the odd nickles and dimes that you otherwise would foolishly spend. When full, it can be brought to the bank, the contents removed and credited to your account.

\$1.00 opens an account and obtains a Liberty Bell Bank

We Trot Out The Cat

Yes, it is I,
I, who am the Herald cat,
I was for Olcott
And, believe me, I've seen stars;
Big ones, large as goose eggs;
Why they looked like moons
Slashing great red gashes
Above the firmament.
I feel a bit dizzy,
And every time I cough
I spew out a tooth;
But I am happy—I have to be
Or I couldn't hold
My job as Herald mascot.
"Be contented" is my motto.
I am a cheerful cat
And because I see the world

Through eyes
That have the hue of
A slab of fresh liver
I'm not going to say
Everything is the same co'or.
I'm going to smile
If it breaks my jaw bone.
I'm a singing bird—a canary—
Or a nightingale—and I feel
Like getting up on the chimney
And howling.
Let others worry;
They'll do it soon enough.
As long as there's arnica
In the bottle or any witch hazel
At the pharmacy,
I'll soon tone up my voice
And plug up the leaks
In my appetite.
I'll live yet to dance on
Many another's tombstone.

Good

Watch Work

By good we mean the careful, interested work of a skilled watchmaker who is really intent on doing a good job—a man who actually takes pride in his work.

That is what you get when you bring your watch here to be repaired, or for the regular cleaning and oiling it ought to have to keep it in proper running order. It is economy for you in the charge, and in the years it adds to the life of your watch.

The same good work done on clocks also.

Cause and Effect

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.
