**AIRLIE.**

The many friends of Mr. John Lewis, a pioneer of Polk county, will be sorry to hear he is still in a precarious condition, due to self inflicted wounds while at the home of his son, Alex Lewis in Linn county.

Rev. and Mrs. Victor Ballantyne royally entertained the Christian Endeavorers at the manse on Tuesday evening. Music and games were enjoyed after which dainty refreshments were served.

A group of our young people motored to Dallas to the home of Mr. and Mrs. Frank Osborn on Friday evening to assist in the celebrating of the latter's birthday anniversary. Mrs. Osborn (nee Mattie Jane Crook) was a former popular teacher at Airlie, and her pupils still remember the anniversary. A most enjoyable time was reported.

Mrs. Marion Walters has returned to her home in Pedee after a visit with her mother, Mrs. Ann Staats. We are pleased to report Mrs. Staats recovering from her recent illness, a fact her many friends throughout Polk county will be glad to hear.

The Ladies Aid Society met on Thursday afternoon and the following ladies spent the time very pleasantly in sewing: Mesdames Womer, E. Turner, Whitaker, Crowley, K. Williams, Hayles, Conn, Ulrich, Dodson, W. Williams, Percy Hadley.

Messages of sympathy are being sent to Miss Dorothy Johnson, formerly of Airlie but now of Salem, who was scalded in a bath tub of water at Corvallis, where she is a freshman at O. A. C.

What Community Co-operation will do was ably demonstrated on Friday at the Airlie School. Lumber for a much needed floor in the school gymnasium had been previously hauled and the school patrons were asked to assist in the laying of the same. A most generous response came from the busy men of the community and, with the assistance of the high school boys, a double floor was laid over a space 50' x 75'. The good women of the community, of course, were on hand with a bountiful dinner to supply the wants of the inner man. All in all it was a successful gathering and it is hoped the enthusiasm for Community betterment will not relax any and that many other needed improvements may be made.
