Oh, What a Fall Was There, My Countrymen

Last Sunday the local town team dropped another game, to Independence at Independence, this time. The score was 18 to 4. The locals were trying out a new pitcher, Smith by name, and they let him go the full distance even though the Independence team found him for 14 hits, most of them in the last four innings. A number of errors by the local boys helped in the scoring. Five hits for Monmouth and several errors for Independence gave the locals four runs and that was all they could get. Independence has a very fast infield. They made three double plays, one of them coming in the ninth frame when the locals were making their last bid for a run. Three men were on and one game when the batter dumped the ball into the infield. The runner on third was forced at home and the batter caught on first, ending the game. To date the locals have won every game they have played at home and lost every game they have played away from home. Sunday they cross bats with Dallas on the local field. Come out and help them win. The usual admission prices will prevail and the game will start promptly at 2:30. The new bleachers have been completed and will be ready for use.

For Sale—1 ton Ford truck, worm drive. Hercules body and cab. Will give terms to responsible party. Wm. Dawes, Box 475, Independence
