Notice to Water Users

Patrons of the water system of Monmouth are hereby warned not to infringe on the regulations for the use of water for sprinkling purposes. The payment of \$3.00 per year gives the patron the privilege of sprinkling lawn of an area of 50 feet square only. Patrons should bear this limit in mind. The sprinkling hours are from 6 to 8, morning and evening. Violation of either of these regulations will be prosecuted. We have water enough for a city of 3,000, but it can not be wasted with impunity during the summer months. By order of the council.

J. J. Williams, City Recorder.

Notice to Property Owners

City regulations provide that all lots and streets, adjoining property must be kept free from weeds and grass. This should be done as a matter of civic pride but if it is not done the city has authority by ordinance to cut such weeds and grass and charge the expense of same to the property.

J. J. Williams, City Recorder
