### RETURNING ALUMNI TO CHEER FOR BEAVERS AT HOMECOMING

"Back to back the Beavers," will be the rallying cry of returning alumni and visitors to the Homecoming festivities November 3 when Coach R. B. "Dick" Rutherford's orange and black warriors meet Coach Enoch Bagshaw's University of Washington Vikings on Bell field at 2:30 o'clock. The Homecoming program includes

the annual rook-University of Oregon frosh football tangle Friday, November 2. Last year at Eugene the frosh won. Before that for two successive years, the games resulted in scoreless ties, but this year the "Aggie babes" are determined to have revenge.

### Resolution

Therefore be it Resolved; That in his passing, Agate Lodge No. 177 has lost a loyal member, and one who was loved and respected by all its members; the family, a devoted husband and father; the community, a worthy citizen.

Be it further Resolved; That as a token of respect for the departed one, and an expression of sympathy for the family, a copy of these resolutions be spread on the minutes of the lodge, one sent to the family, and one to the Monmouth Herald for publication.

## The County Library System costs 19c on each \$1000 of assessed valuation.

The Monmouth Branch of the library has four hundred books which are changed frequently and the patron can always find something suitable to his taste.

As you will see by the High School notes, the High School is making a practical use of the library.

Monmouth could not supply so good a library service for anything like the small amount of cost. And what the library is doing for Monmouth is only a sample of what it is doing for the whole county.

Don't allow yourself to be stampeded on a plea of high taxes. Readjust taxes by voting for the income tax but keep this reasonable charge for a valuable public service in the county budget.

Vote YES for the appropriation of \$2600 for the Polk County Library.

Doan's have regulated my kidneys and stopped backaches from which I suffered. I am only too glad to tell others who are subject to backache that Doan's are a reliable remedy for this trouble." (Statement given April 12, 1916.)

On April 8, 1920, Mrs. Edwards added: "I always depend on Doan's Kidney Pills to help me when I have kidney trouble. I gladly confirm my former statement praising Doan's."
