New Nurse at Normal

The students and faculty will be sorry to learn that Miss Janet Scott who has occupied the nurses position in the Department of Health and Physical Education with such devotion and efficiency has been filling it but temporarily.

When Miss Scott consented to come to the Normal school in September it was only under the condition that she would be relieved at the end of the fall term. Through her recommendation, Miss Effie Cameron, Public School Nurse in Des Moines, Iowa, has been secured to continue the health supervision work. Miss Scott has rendered, even in her short stay with us, immeasurable service to the many who have come in contact with her and every one will feel her departure with unqualified regret.

Miss Leona Jackson of the Normal faculty will spend her vacation with her sister at Moro, Oregon.
