**Man of 74 made Young in
Three Weeks By Simple Method**

**Former Kansas Contractor
Tells of Wonderful Results From Testing
Korex Compound.**

Thomas J. Glascock, 74, well known old time Kansas contractor, declares he has virtually been made young again by the recently discovered korex compound, which by many users is pronounced superior to "gland treatment", as an invigorator and revitalizer.

"I feel as I did at 35," says Mr. Glascock, "and seem to be getting stronger every day. During my three weeks' use of the new discovery pains and weaknesses of many years' standing disappeared almost magically. Today I am as vigorous and supple as I was in the prime of life. Furthermore, when I began using the compound, my memory was virtually gone and I was almost blind. Now my mind is clear and active and I can read the finest print without difficulty."

In order to find out whether the results were lasting, Mr. Glascock waited six months before reporting on his test of the discovery. On this point he says:

"Every passing day strengthens my conviction that my restoration is not only complete but permanent. I can't express the happiness this great discovery has brought to me. It has made me 'young again'."

Similar report are being made almost daily. For instance, D. W. Wood of New Orleans, past 60 years of age, says: "The compound has brought me back to as good physical condition as I enjoy at 35. I am apparently as supple as at 25 and my eyesight is better than for years. I would not take \$5,000 for what the discovery has done for me."

THOMAS J. GLASCOCK

The compound referred to by Mr. Glascock and Mr. Wood is put up in tablets for easy use at home by any one. It has won the praise of thousands who suffered from nervous exhaustion, diminished and depleted vigor, neurasthenia, premature age and lack of animation and vital force. Elderly people have pronounced it a "fountain of youth."

Prepared especially for acting on lower spinal nerve centers and blood vessels, gratifying benefits are known usually in a few days, according to thousands who have used it. Enthusiastic reports from users acclaim the compound as giving speedy satisfaction in obstinate cases that have defied all other treatments previously used.

Realizing that thousands of enfeebled, half-alive folks may consider such news "too good to be true" the American distributors of korex compound have arranged for korex compound to be placed on sale in Monmouth at the Perkins Pharmacy.
