They also instructed their delegate to the Annual Conference, Mrs. Edwards, to make this wish known at the Conference. We are pleased to state that their request has been granted and the pastor has returned to serve the church another year.

The Conference Session held at Portland and presided over by Bishop Spreng, was a very inspiring one. There were a few changes made but most of the men went back to their former charges. The reports showed a decided gain in membership and a splendid financial gain over the preceding year.

Rancher At 84 Like Young Man

STRENGTH OF YOUNGER YEARS RESTORED BY KOREX COMPOUND

"I felt myself growing old so fast", says J. L. Rowell, 84 year old rancher of Law City, Oklahoma, "that I had no appetite and hardly felt like living. After taking korex compound I am as young and vigorous as at 30 and feel better all the time. I can now walk with a firm, elastic step and can get out and do a man's work with any of them."

The effect of using korex compound is healthful, natural and lasting say many who have used it. Thousands have tested it the world over for premature old age, weakness after flu, poor circulation, lack of appetite and aching limbs. Those feeling the need of such an invigorator will be interested in learning that the American distributors of korex compound, have arranged for korex compound to be sold in Monmouth at Perkins Pharmacy. Just ask for korex.
