Backache is a Warning

Monmouth Folks are Learning
How to Heed It.

Are you miserable with an aching
back? Do you get up lame and stiff;
drag through the day feeling tired,
weak or depressed? Then you should
help your kidneys. Backache is of-
ten the first sign of failing kidneys.
Urinary troubles quickly follow. Ne-
glected, there's danger of gravel,
dropsy or fatal Bright's disease.
Don't wait for serious kidney sick-
ness! Use Doan's pills, a stimulant
diuretic to the kidneys, before it is
too late. A resident of this locality
tells an experience:

A. A. Crowder, plasterer, 208 Ash
St., Dallas, Ore., says: "I had kidney
complaint and suffered with pains in
my back. It hurt me to stoop. My
kidneys acted irregularly, too.
Doan's Pills put my kidneys in good
shape."

Price 60c, at all dealers. Don't
simply ask for a kidney remedy, get
Doan's Pills,—the same that Mr.
Crowder had. Foster-Milburn Co.,
Mfrs., Buffalo, N. Y.
