

Pay A Little Each Week Or Each Pay Day

Credit over a number of months—as long as a year—is a service we extend in the purchase of Diamonds, Watches, Silverware, Jewelry and other merchandise.

It is a thrifty way to buy. Small sums each week or each payday take care of the full amount within the agreed time. Meanwhile you are enjoying the purchase while paying for it.

We deal only in better quality goods. No one sells as good merchandise for less than our prices. Each purchase here is one of lasting satisfaction for the buyer.

Come in and let us explain.

RUPTURE

EXPERT TREATMENT TO

SALEM

Will Give Free Demonstration
Friday and Saturday, August 15 - 16
at Marion Hotel, from 10 a. m. to 4
p. m.

TWO DAYS ONLY

On above date the noted rupture
appliance expert, C. F. Redlich, will
give a free demonstration.

"You will at once realize the difference
between his highly efficient, ab-
solutely sanitary appliances and the
inefficient uncomfortable, smelly and
thoroughly unsanitary elastic web
trusses with their bulky, plainly
visible pads and their abominable
chafing legstraps or the various mail
order steel or wire trusses which never
fit right. All these unscientific
devices make your ruptures steadily
worse instead of better as you know.
Mr. Redlich's appliances, scientifically
fitted by an expert in person, will
give security and comfort for years to
come, not only to those with recent
and small ruptures but also to old,
neglected cases. They are by far the
cheapest in the long run.

Many ruptures are now healed by
these improved mechanical methods
which formerly necessitated opera-
tions; but do not delay.

Children should never carry a rup-
ture into manhood or womanhood, as
they can be easily restored to a nor-
mal condition by a proper mechanical
method. These clean and sanitary de-
vices will here be most appreciated.

It will not cost you anything to be
shown and a visit may mean a great
deal to you and those dependent on
you."
