Here is Our Plan

During this sale, upon the purchase of a HALF DOZEN of any item, an ADDITIONAL ONE WILL BE GIVEN TO YOU, FREE. For example— you purchase six towels and at no additional cost you will be given seven. Likewise if you buy six yards of material, silk or cotton, an extra one is added, free. On the other hand if you purchase a half dozen pairs of stockings at different prices—as a mother supplying her family would do, a pair of hose at the average price of the six will be given free. An equivalent allowance in a pair will be made on a more expensive pair. With the many needs fall brings; such as preparing the kiddies for school and fixing up the home for those longer indoor hours, mother will, indeed, find this a most economical way to supply amply the various requirements.

That one extra will come in handy, time and time again.

Not only the items listed here but many other items in our store are subject to this plan. However, on items where buying in half dozen lots is not practical, such as Blankets, Shoes, etc., special prices have been made. All merchandise, otherwise retains the original price marking.
