to visit

California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions — eternal summer for those who cannot endure a more severe climate.

California has been called the "Mecca of the winter tourist." It's hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied pleasing recreations.

SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California.

The rate from Independence to Los Angeles and return is $58.90.

Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on, telegraph, or write G. A. Wilcox, Agent, Independence, or Wm. McMurray, Gen. Pass. Agt., Portland, Oregon.

Dean Walker came Saturday evening to spend a few days with his parents.

Miss Marjorie Belt arrived Saturday for a few days' visit at her home in this city.

Mrs. Lottie Dorris returned Saturday from Portland, where she had been spending several days.

Mrs. Wm. Ormsby of Portland, daughter of Mrs. John Belt, came Friday to spend a few days in this city.

Remember the Tennessee Jubilee Singers at the opera house on Saturday, November 7. Tickets on sale at D. G. Dove's.

Dr. Eaton of Portland was in this city Sunday. On his return he was accompanied by his little son, Joe, who will remain with him for several months.

E. W. Cooper of Albany came down Thursday for a few days' visit with relatives. While here he decided to send his daughter, Helen, to the Behnke-Walker Business College in Portland.

It is reported, says the Falls City News, that the Spaulding people will shut down their mill in Dallas on account of not being able to make satisfactory agreements with some of the farmers along the LaCreole who claim that the flooding and the logs are damaging their lands and crops.

G. C. Bolter of Salem was a caller on the Enterprise yesterday, having come back to Polk county to vote for a new president. Mr. Bolter volunteered the information that the Enterprise is the greatest paper ever published in this country. He says: "It is the largest and prints more good news than ever before." "I like to get the paper now more than ever, since I have moved to Salem. I feel that I get about all that happens from reading your paper."

Miss Florence Gebro entertained twenty-five of her young friends most pleasantly Saturday evening at the home of her uncle, W. L. Bice. The house was beautifully decorated in Autumn leaves and flowers and colored lights, and jack-o'-lanterns were used throughout the rooms. The guests were received by a witch and a ghost. Hallowe'en games and fortune telling afforded much amusement. Dainty refreshments were served, after which the guests bid their hostess good night. Those who were present: Lavilla Cooper, Bessie Hartman, Ruby Earhart, Vera Tuttle, Eileen McLaughlin, Bertha Collins, Mamie Byers, William May, Ray Lacy, Prince Lacy, Lee Fluke, Clem Hart, Elwood Hartman, Earl Tharp, Victor Seely, Walter Smith and Dean Baughman.

How to Cure a Cold.

Be as careful as you can you will occasionally take a cold, and when you do, get a medicine of known reliability, one that has an established reputation and that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment, and can always be depended upon. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions, and aids nature in restoring the system to its normal condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of the grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale by P. M. Kirkland.

Notice to Settle Up.

I hereby give notice that I am about to close my harness shop business in Independence. All parties owing me are requested to call on or before November 15, 1908, and settle their accounts either by cash or note.

Perfection of Detail

Bridge & Beach "Superior"

These heaters give you satisfaction. They warm the apartments better than any other stove, because they are made to throw out the heat. You know that with some heaters you are freezing when the stove is red hot. Those are not the "Superior"—wood eaters.

Our **"Superior"** steel ranges embody best construction and features in these popular style ranges. Attractively nickeled, malleable iron joined with cold driven rivets are some of the features of this fine range. It is not an ordinary range. It is not bolted together so that in a short time the bolts work loose, the putty drops out and "air leaks" come in, causing waste of fuel and slow baking. The Superior Steel range is perfection in every construction detail.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney disorders, usually enlargement of prostate glands. This is both painful and dangerous, and Foley's Kidney Remedy should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rockport, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Remedy I feel better than I have for twenty years, although I am now 91 years old." D. G. Dove.
