For 25 Years  
Against Breakage

Drive them together with an ax.  
They will not break. Do they sell  
for more? No.

We have sold more metal beds during the past 60 days than all other Salem firms combined. Why? Because our beds appeal to bed buyers as being better designed, better finished and better bargains.

We want to show them to you, not so much because we want to sell them, but to convince you that what we say about them are facts.

**SPRING STYLES FOR MEN,**  
as shown in our new shoe stock, exhibit some very desirable shapes in patent leather, calf and kid. If your occupation keeps you out of doors all day we have a solid, sturdy, double-sole style that is neat, but very substantial—just suited for the farm—also something lighter for indoor wear, while our dress shoes are marvels of grace, beauty and comfort.
