

RED FRONT STORE

INDEPENDENCE GREAT ANNUAL INDEPENDENCE

CLEARANCE SALE

To follow up our policy of selling out all of our seasonable merchandise we will put in force one of the largest sales we ever have had in the way of selling goods at prices never before attempted at our previous sales. So large will be the reductions in price on all merchandise that all previous records will fade away into insignificance. We will not wait until the end of the season to close out all of the Winter goods but will put them on sale while the season is on so that you can get use of them this season. Sale starts

Saturday Morning, December 12, 1908

and will continue until December 24, 1908, twelve days only, and we will make the 12 busiest days this year by marking down the goods so that you will not be able to resist the tempting bargains. Below we will quote you prices on merchandise which you should read over, every item, and come prepared to carry away the goods with you.
