

**Now is the time
to visit
California**

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions — eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied pleasing recreations.

SOUTHERN PACIFIC CO

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California.

The rate from Independence to Los Angeles and return is \$58.90.

Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on, telegraph, or write G. A. Wilcox, Agent, Independence, or Wm. McMurray, Gen. Pass. Agt., Portland, Oregon.

Beware of Frequent Colds.

A succession of colds or a protracted cold is almost certain to end in chronic catarrh, from which few persons ever wholly recover. Give every cold the attention it deserves and you may avoid this disagreeable disease. How can you cure a cold? Why not try Chamberlain's Cough Remedy? It is highly recommended. Mrs. M. White of Butler, Tenn., says, "Several years ago I was bothered with my throat and lungs. Someone told me of Chamberlain's Cough Remedy. I began using it and it relieved me at once. Now my throat and lungs are sound and well." For sale by P. M. Kirkland.

RICKREALL.

Mark Burch returned last week from an extended visit in Portland.

Miss Alice Burch is helping in the store during the holiday rush.

The card party last Friday night was well attended. Progressive ped-

going into the "hog" business, as he came home Sunday afternoon carrying a small "shoot" in a sack.

Pete Shafer and W. A. Scott were Independence visitors Wednesday.

On Wednesday Henry Hamann, while helping Pete and George Shafer cut wood, succeeded in lodging one tree against another. According to the old idea that the only way to get it down was to climb the tree, he proceeded to do so, while George Shafer shook the tree from the ground. The limb Henry was standing on gave way and he was thrown suddenly to the ground, alighting on his shoulder, but luckily sustaining no further injuries than a few bruises.

Catarrh Cannot Be Cured

with local applications, as they cannot reach the seat of the disease. Catarrh is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrh Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrh Cure is not a quick medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrh. Send for testimonials free.

A Personal Appeal.

If we could talk to you personally about the great merit of Foley's Honey and Tar, for coughs, colds and lung trouble, you never could be induced to experiment with unknown preparations that may contain some harmful drugs. Foley's Honey and Tar costs you no more and has a record of forty years of cures. P. M. Kirkland.
