Don't Forget—Get Busy.

Don't forget that it is the duty of
every reader of this paper to write
to some friend at a distance and tell
him of the advantages of Oregon both
as to climate and production. Re-
member that the people of the older
states, where the weather is cold, are
hovering around the fire and have
lots of time to read. Get busy.

and finally ceased and my urine
became normal. I cheerfully recom-
