What Papers Do You Read?

?

H. B. Geer tells of a farmer who once said: "I don't believe in your book learning, study and all that; I'd rather learn by experience." He did. That man a couple of years later lost out as a farmer and moved to town, where he made a very poor living working by the day and doubtless working for men who studied and read and thought about their business, and applied in it, as far as practicable, that which they had learned from books, periodicals and the experience of others given therein. It is the men who read; the men who study; the thoughtful men who support the farm journals. They are the men who read books and papers on agriculture, fruit growing, poultry culture and bee-keeping. They are the men who stand in the front rank; the leaders in their respective communities. These men have found that it pays to read and study on any subject in which they are interested and apply their knowledge in their everyday work.

is published for this class of farmers and stock raisers. Every week it contains articles by men who KNOW. Practical experience is what counts and you get it from others through the Pacific Homestead, published at Salem, Oregon, each Thursday. Subscription price \$1 per year, sample copy free.

Look Out for Pneumonia.

In a warning against exposure to pneumonia, Health Commissioner Evans of Chicago says:

"Men drunk from liquor and men drunk from overeating are more susceptible to the disease and die of it. The majority of cases of pneumonia are of patients who contracted the disease after a drunken debauchery, or who were drunk from overfeeding. People drunk from overfeeding, I think, are almost as immoral as those who stupefy themselves with liquor. The effects of pneumonia in such patients are much the same."

A Horrible Hold-Up.

"About ten years ago my brother was 'held up' in his work, health and happiness by what was believed to be hopeless consumption," writes W. R. Lipscomb, of Washington, N. C. "He took all kinds of remedies and treatment from several doctors, but found no help till he used Dr. King's New Discovery and was wholly cured by six bottles. He is a well man today." It's quick to relieve and the surest cure for weak or sore lungs, hemorrhages, coughs and colds, bronchitis, la grippe, asthma, and all bronchial affections. 50c and \$1.00. Trial bottle free. Guaranteed by all druggists.

The Pacific Postal Telegraph-Cable Company won its suit against the Southern Pacific Company, which was tried out before Judge Wolverton, at Portland, the jury bringing in a sealed verdict awarding the railroad company damages amounting to \$66,000 and granting the telegraph company a right of way along the railroad lines between Portland and San Francisco.

DANGER IN DELAY

Kidney Diseases Are Too Dangerous for Independence People to Neglect.

The great danger of kidney troubles is that they get a strong hold before the sufferer recognizes them. Health is gradually undermined and backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Independence.

Mrs. Melissa Govro, Log Cabin St., Independence, Ore., says: "I suffered for years from kidney complaint. The secretions from my kidneys were very irregular and caused great annoyance. I felt languid and tired and had frequent dizzy spells. I ran down in health and used so many medicines without satisfactory results that I did not have much faith in anything. I finally procured a box of Doan's Kidney Pills and began using them. The results were very gratifying and I continued until cured. I have recommended Doan's Kidney Pills to many people suffering from kidney complaint."
