NEWS LETTER FROM NORMAL

The first of the week of the new term at the Normal was occupied chiefly in arranging courses and organizing new classes. Regular work was resumed on Wednesday, February 3, after a brief semi-holiday for commencement. Seven new students have already enrolled and more are coming after the State examinations.

Miss Hazel Donahue, a member of the Sophomore class and a student at the Normal for the past year and a half has returned to her home in Sherman county until next fall.

Willis and Cletus Butler and Ernest Riddell have entered school for the spring semester.

Wilford Belshe has also enrolled and is an addition to the ambitious Freshmen.

Five of the February graduates are now filling positions. Miss Dorsey began at The Dalles this week. Miss Simmon is filling a position at Salem. Miss Williams is doing some extra teaching in the Training School which she will complete in a few weeks. Miss Sadie Ellis visited in Portland from Friday until Sunday evening.

Friends and admirers of David B. Campbell will be delighted to hear that he may come to Monmouth with the Whitman College Glee Club which will probably give a number of the citizens entertainment course during the Easter season. Mr. Campbell is meeting with gratifying success in his studies and concert work in Eastern Oregon and Washington.

Miss Clara Tinnerstett a June senior is visiting between terms with her sister at Portland.

Miss Hilda Tooze of Oregon City will enroll after the state examination. Miss Tooze will be a member of the June class.

Miss May Macleay visited her home at St. Helens for a few days last week.

About forty students, mostly Senior will be candidates for state or county papers at the coming examination. Most of them will go to Dallas.

Miss Ida Goynes and Miss Carrie Hathaway will visit in Salem and take the examination there. They have but some finishing subjects so will profit by visiting the Legislature and buildings of interest.

The Gamble Contest
One of the most interesting mem-

bers of the Citizens Course was the Gamble Concert given in Normal Assembly Hall on last Friday evening. The audience was genuinely appreciative of the classical programme and every number was enthusiastically applauded. The wide range of tone and the rich and melodious quality of the soloists were shown to good advantage in the "Armourer's Song" from Robin Hood and a selection from Schubert's "Seasons". Miss Page's playing is very skillful and ever charming. Worthy of special note were Mr. Lamberson's exquisite rendition of piano numbers requiring unusual skill.

Basket Ball
The Girls' Basket Ball team played Astoria High School Saturday evening, winning 7 to 1. Our team and coach were the guests of Astoria's team and they report a royal good time in hospitable Astoria. Those in the party were: Mrs. Burt, Chaperone; Misses Craven, Jewett, Dunshoo, Hixon, Burt, Kuykendall; Alva Craven, coach; H. Bogart, time-keeper; E. Sacre, score-keeper. The team left on Saturday morning and returned on Sunday evening's train.

On Saturday evening at Monmouth the O. S. N. S. Boys' team met defeat at the hands of the Philomath Giants. Monmouth boys were as pygmies in the contest, but they brought the score up to 21 to 40 anyhow. The audience was small but made up for its size in enthusiasm. The Monmouth team was composed of the following named: A. Sacre, F. Phelps, E. Springer, L. Lindsay, C. Butler.

NOT A LARGE LIST
Small Number Over County Graduate From Eighth Grades

The following pupils completed the eight grade examinations for the January examinations, and have been granted diplomas by the County Superintendent.

Eva Wonder of district 5, Nona and Leda Lewis of district 8, Lena May of district 10, Effie Hickerson of district 26, Ella Lawrence and Amanda Hilke of district 29, Irma Stuffs of district 31, Eunice Elkhus of district 33, Farrell C. Dickey and J. Don Fletcher of district 34, Arthur C. Good of district 48, Minnie Wonder of district 49, George Clauson and Gladys Davenport of district 57, Fred Norwood, Josephine Wilson, Ethel Bennett, Alice Shindler, Charles Adams and Nelle Adams of district 61, Winfred M. Wilson and Ella Chase of district 64.

Several pupils failed in only one or two subjects which allows them to take those subjects over in the May examinations.

The Mountain View school number 61 deserves great praise for the excellent papers handed in from that school, all pupils writing on the examination from there passed with the lowest average made almost 91 per cent while the highest was almost 95 per cent which was the highest made in the county during this examination.

Highland Makes Request
Editor Enterprise:
Your correspondent of Highland would like to know how many pupils there are in the school at Rickreall. We would like to inquire how many pupils there are in the Highland school that are taught to dance at the school house when there is school taught.

Subscribers:
