DISTRESS FROM UPSET STOMACH

Also Misery From Indigestion Vanishes Five Minutes Later.

Take your sour stomach--or maybe you call it indigestion, Dyspepsia, Gas tritis or Catarrh of Stomach; it doesn't matter--take your stomach trouble right with you to your Pharmacist and ask him to open a 50-cent case of Pape's Diapepsin and let you eat one 22-grain Triangule and see if within five minutes there is left any trace of your stomach misery.

The correct name of your trouble is Food Fermentation--food souring; the Digestive organs become weak, there is lack of gastric juice; your food is only half digested, and you become affected with loss of appetite, pressure and fullness after eating, vomiting, nausea, heartburn, griping in bowels, tenderness in the pit of stomach, bad taste in mouth, constipation, pain in limbs, sleeplessness, belching of gas, biliousness, sick headache, nervousness, dizziness and many other similar symptoms.

If your appetite is fickle, and nothing tempts you, or you belch gas or your food lies like a lump of lead on your stomach, you can make up your mind that at the bottom of all this there is but one cause--fermentation of undigested food.

Prove to yourself, after your next meal, that your stomach is as good as any; that there is nothing really wrong. Stop this fermentation and begin eating what you want without fear of discomfort or misery.

Almost instant relief is waiting for you. It is merely a matter of how soon you take a little Diapepsin.

OFFERS TO BET \$5000

Attempts to Segregate Beer and Whiskey

To prove that the hop men of Oregon, who had drafted and were behind the movement to have passed H. B. 167, giving the voters of any dry precinct an opportunity to vote on the segregation of beer and whiskey were honest in their contention and that the amended bill contained no joker of any kind, Conrad Krebs offers to

put up \$5000 to go to charity if the Prohibitionists can find any joker in the bill that would prevent a vote every two years on the beer question in dry precincts.

Krebs will place with the Wells Fargo Company a certified check for \$5000. If the Prohibitionists or others cover the amount by Wednesday afternoon at 4 o'clock, Krebs suggests that the bill be referred to the members of the supreme court of Oregon for an opinion as to its scope and fairness. The question at issue is whether there is a joker in the bill to prevent a vote on the sale of beer every two years. If the arbitrators decide that there is such a joker then Krebs declares that he wants the money to go to some charity to be designated by the members of the court.

Krebs issued a statement tonight in which he said: "Possibly the hop men can live without this bill, but I as well as others, object to being branded as tricksters. We want to demonstrate that Representative Calkins was mistaken when he said on the floor of the house that a dry precinct that voted for beer under this bill would have to retain beer for all the time to come. This talk of Calkins' confused the friends of the bill and caused its defeat. I do not want to charge Calkins with any improper motives, but I do say that he was badly mistaken, and I am willing to put up \$5000 to prove it. I hope the Prohibitionists will cover the amount by Wednesday afternoon at 4 o'clock."

WILL ASSIST IN PUBLICITY

Women of Independence Will Form Commercial Union.

A movement has been started to form a Ladies' Commercial Union which will work in conjunction with the Independence Commercial Club. The idea of the organization was conceived Monday night when it was demonstrated how successfully a women's organization is intended to fit in with that of the business men in caring for the public interests of the community. This matter is now in the hands of the loyal women who had charge of the banquet and who have credit for preparing one of the most beautiful banquets ever spread in Independence.

WEDDING OF MISS GUILLIAMS

Monmouth Loses One of Her Beautiful Young Women.

A pretty house wedding took place at the home of the bride's parents in Monmouth Wednesday when Miss Bee Guilliams was united in marriage to Mr. Earl Wallace of Portland. A number of invited guests were present from all over the state besides the relatives of the contracting parties. The parlor was beautifully decorated with evergreens and white crepe paper and the bride was handsomely gowned in white silk mull trimmed with hand embroidery. The ceremony which was read by Rev. Mr. Wood, was followed by a banquet. The bride and groom departed on the afternoon train on their honeymoon trip after which they will make their home in Portland where Mr. Wallace is in business.
