RICKREALL COMMUNICATION

To the Editor:

In a recent issue of your paper, your correspondent from Highland ask how many pupils were in school at Rickreall. We would inform that all-wise gentleman that at present there are 48 enrolled. If he has ever made out a teacher's monthly report he will doubtless know that it is required to carry the division, for finding the average daily attendance and number belonging to one decimal place. The omission of the decimal point in printing caused somewhat of a mistake in our last school report. Your correspondent doubtless refers to this mistake.

We notice in your last issue that your correspondent from Highlands reports land selling at five dollars an acre. We are kind enough to attribute that to an error in printing rather than try to make ourselves conspicuous as he has done. We would like to inform him, also, that no dancing lessons are given in the school house at this place.

Yours sincerely,
Rickreall Correspondent.

Pneumonia Follows La Grippe

Pneumonia often follows la grippe but never follows the use of Foley's Honey and Tar, for la grippe coughs and deep-set colds. Refuse any but the genuine in the yellow package. C. R. Kluger, the Jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cure my backache and the irregularities disappeared, and can now attend to business every day, and recommend Foley's Kidney Remedy to all sufferers, as it cured after the doctors and other remedies had failed. P. M. Kirkland.

Davenport's Story.

Human Life for February is out with another installment of Homer Davenport's story of his early life in Oregon. Every Oregonian should read it. See our offer of this unusually interesting magazine, Human Life, on another page. Read the ad. "The Oregon Magazine Hit of 1909." This magazine is absolutely free to new subscribers or to old subscribers who pay a year in advance.

Foley's Honey and Tar clears the air passages, stops the irritation in the throat, soothes the inflamed membranes, and the most obstinate cough disappears. Sore and inflamed lungs are healed and strengthened, and the cold is expelled from the system. Refuse any but the genuine in the yellow package. P. M. Kirkland.

Now is the time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions — eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied pleasing recreations.

SOUTHERN PACIFIC CO

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California.

The rate from Independence to Los Angeles and return is \$58.90.

Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on, telegraph, or write G. A. Wilcox, Agent, Independence, or Wm. McMurray, Gen. Pass. Agt., Portland, Oregon.

RHEUMATIC FOLKS
ARE YOU SURE YOUR KIDNEYS ARE WELL
Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't dally with "uric acid solvents". You might go on till doomsday with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended.
F. A. Sutton, 1125 Water street, Salem, Oregon, says: "For ten or twelve years rheumatism and kidney trouble were the plague of my life. I could hardly move owing to the lameness in my back and had to come into the city to doctor for the trouble. Nothing seemed to bring me more than temporary relief and I was in bad shape when I procured Doan's Kidney Pills. They benefited me at once and when I had taken the contents of three boxes I was free from every symptom of my old trouble. My health is now better than in years."
Remember the name—Doan's and take no other. 33-39.

It Was a Hit.
