CUT THIS OUT AND SAVE IT

Says Many Persons Have Been Made Happy Again By Using It

There is so much Rheumatism here in our neighborhood now that the following advice will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kargon, three ounces of Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple recipe is said to strengthen and cleanse the eliminative tissues of the Kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which causes not only Rheumatism, but numerous other diseases. Every man or woman here who feel that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after while.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

Legislatures Offer to Mothers

One dollar a babe is the price Iowa ought to be willing to pay to Iowa mothers is the estimate of Dr. Fullam, president of the Iowa State Medical association. Dr. Fullam introduced a measure the other day making such a provision into the Iowa house. The bill provides that if the mother presents notice of her child's birth to the county clerk within three months after birth and accompanies the notice with a physician's certificate she is to be given an order on the county treasurer for \$1. No provision is made for twins or triplets.

Kennedy's Laxative Cough Syrup not only allays inflammation and irritation of throats and lungs, but it drives out the cold from the system by a free yet gentle action of the bowels. Sold by The Williams Drug Co.

Death Claims Aged Man

H. S. Montgomery, an old and respected resident of Falls City, died at his home yesterday morning, aged about 82 years. His death was due to a complication of disorders accompanying the enfeebled condition of advanced age. His son, John Montgomery, and his brother and sister-in-law, Mr. and Mrs. J. S. Montgomery, of Columbia county were at Falls City to attend the funeral services which were held at 1 o'clock Wednesday afternoon. Beside his wife and son, Mr. Montgomery is survived by several grandchildren. He had been a resident of Falls City for nearly 20 years and numbered scores of friends among the citizens of that place, to whom his death will be a source of deep and sincere regret.—Observer.

Marconi's Prophecies

A rush for wireless instruments is yet supplied with this means of communication and important safeguard. Sig. Marconi, as the world now sees, worked along the lines of a practical necessity. Eventually, he said, the wireless method of communication will become universal except for local transmission. He is convinced that the wireless telephone is a certainty. In fact, it has already been successfully tested on a few warships. The inventor also looks for the sending of sight rays by electricity, so that a person sitting at home will be able to see as well as hear opera. Some optical experiments of this nature are reported to be promising.

But Marconi does not stop with wire or wireless achievements. He predicts that airships will be utilized by the present generation though not for freight purposes. In his opinion the electric propeller run by storage battery will be the leading motor until

a solar engine is perfected that will supply light, heat and power. On the strength of this outlook the signor goes into philosophy, and says that "Unfretted by transit problems and jostling, people will take on a more Christian serenity of mental habits," and that with the growth of intelligence war will become extremely rare and no more children will be reared than can properly be fitted to be efficient members of society." Marconi is one of the most expansive as well as interesting of the optimists, and has proved by a single invention that he is entitled to a hearing.

Pneumonia Follows La Grippe

Pneumonia often follows la grippe but never follows the use of Foley's Honey and Tar, for la grippe coughs and deep-set colds. Refuse any but the genuine in the yellow package. C. R. Kluger, the Jeweler, 1060 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and can now attend to business every day, and recommend Foley's Kidney Remedy to all sufferers, as it cured after the doctors and other remedies had failed. P. M. Kirkland.

NOTICE

Notice is hereby given that the people of the city of Independence must clean up the streets and alleys around their premises of all rubbish and wood, brush and old planks. All must be cleaned up or the city marshal will hire a man to clean it up and charge the same against you. By order of the City Council.

Hoarse coughs and stuffy colds that may develop into pneumonia over night are quickly cured by Foley's Honey and Tar, and it soothes inflamed membranes, heals the lungs, and expels the cold from the system. P. M. Kirkland.

RHEUMATIC FOLKS

ARE YOU SURE YOUR KIDNEYS ARE WELL

Many rheumatic attacks are due to uric acid in the blood. But the duty of the kidneys is to remove all uric acid from the blood. Its presence there shows the kidneys are inactive. Don't dally with "uric acid solvents". You might go on till doom-day with them, but until you cure the kidneys you will never get well. Doan's Kidney Pills not only remove uric acid, but cure the kidneys and then all danger from uric acid is ended.

F. A. Sutton, 1125 Water street, Salem, Oregon, says: "For ten or twelve years rheumatism and kidney trouble were the plague of my life. I could hardly move owing to the lameness in my back and had to come into the city to doctor for the trouble. Nothing seemed to bring me more than temporary relief and I was in bad shape when I procured Doan's Kidney Pills. They benefited me at once and when I had taken the contents of three boxes I was free from every symptom of my old trouble. My health is now better than in years."

Remember the name—Doan's and take no other.

Now is the time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions — eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied pleasing recreations.

SOUTHERN PACIFIC CO

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California.

The rate from Independence to Los Angeles and return is \$38.50.

Limit six months, allowing stopovers in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on, telegraph, or write G. A. Wilcox, Agent, Independence, or Wm. McMurray, Gen. Pass. Agt., Portland, Oregon.
