INDEPENDENCE, OREGON, FRIDAY, MARCH 12, 1909

NUMBER 41

SPECIAL SESSION CALLED

GOVERNOR BENSON HAS ISSUED FORMAL CALL

Proclamation Specifies That Call For Special Session of Legislature is for State Institutions.

Governor Benson issued the proclamation at Salem last week, calling special session of the Legislature to convene at the capitol at 10 a. m., Monday March 15, 1909, to enact the appropriation bills, that failed of legal passage at the regular session, and incidentally to cure some of the numerous defects that crept into bills passed at the regular session.

It is claimed that a large majority of the members have pledged themselves not to enact any new legislation but to attend strictly and only to curing the defects that have been discovered. In making the call Governor Benson says:

"Failure to appropriate money for improvements at the Insane Asylum, penitentiary, reform school, blind penitentiary, reform school, blind soldiers home for the next two years would place these institutions and their inmates in a sorry and in some instances a dangerous plight. The asylum has accommodations for 1500 patients, but there are 1571 patients there now and the institution is crowded beyond its capacity. The steady increase in the population of our state warrants the prediction that there will be more than 1700 patients before the next regular session of the Legislature, and for this reason, additional room at this institution is a matter of absolute necessity.

"The entire asylum building is sadly in need of a system of fire protection and also a central heating plant. The construction of this central heating plant would save the state something like \$50,000 a year in the purchase of fuel, and would lessen the fire risk. At the present time there is little or no fire protection for the unfortunate wards of the state who are confined in the asylum."

J. H. Patterson died Thursday morning at his home in the suburbs of Independence.

The W. C. T. U. will meet at the home of Mrs. S. H. Cuthbert Friday afternoon at 2:30. All are cordially invited to attend.

We have this season the strongest line of ladies' underwear ever shown in Independence. This is the first time we have ever been able to get a direct shipment in this line from a factory, hence, prices are much lower than before, quality considered. Conkey, Walker & Lehman.

EAT OREGON APPLES

Apples Taste Good to King Edward

A most interesting acknowledgment of the apples sent by the Portland Commercial Club to King Edward comes in a letter from Buckingham Palace, written by General D. M. Brobyn, Keeper of the Privy Purse to His Majesty King Edward, to one of Oregon's best known and most respected citizens, R. E. Brereton.

A little extract from General Brobyn's letter is interesting: "The five boxes of apples which were sent to His Majesty arrived quite safely and were thought very highly of by the king and others who

tasted them. I write to convey his Majesty's thanks for the fruit.

"Should we all live for another Christmas, and if you will kindly send directly to me at Sandringham a small supply of these apples, writing me a letter warning me of their dispatch, I promise to bring them to the notice of the King and His Majesty's guests assembled at Sandringham at that season of the year, and will give you a full report of them."

We are showing a part of our spring clothing, some swell new patterns and styles. Call and see them at Conkey, Walker & Lehman's.

DeWitt's Little Early Risers are small pills, easy, gentle and certain, and are sold by the Williams Drug Co.

Co-operate for Irrigation

Ontario is determined that the Malheur project shall be realized. The people of Vale are co-operating with them—in fact all the citizenship of Malheur County is a unit, and there was never better evidence of their progressive spirit than the fact that they raised one evening last week the sum of \$2500.00 in twenty-five minutes—or at the rate of \$100.00 a minute—with which to advertise their resources. When one considers that Ontario has only 1500 population, this is one of the records.

Forest Grove's Distinction

Comparatively few people of the "Beaver State" realize that Forest Grove is nationally known as the source of America's most perfect archery bows. Pacific Yew, which grows to perfection in Oregon, is the material used, and Captain F. S. Barnes fashions it with skilled hands into bows sought by experts all over this continent and even abroad. Though almost seventy years of age, the Captain is himself a splendid archer, and such an enthusiast in his chosen craft that he makes personal trips to the mountains each year to select Yew of just the proper grade and grain—the altitude at which the trees grow is an important factor. Occasionally a bow of rare accuracy and highest speed is created, and these are dignified with names. "Cyclone" and "Whirlwind" are famous among archers.

ELECTS BOARD OF DIRECTORS

The annual meeting for the election of officers of the Independence Cannery Co. was held in the opera house Tuesday. A large membership was present, more than a third of the stock being represented at the meeting.

The new board of directors are S. E. Irvine, S. H. McElmurry, W. W. H. Hirschberg and W. L. Bice. The old board of inquiry was re-elected with the exception of S. H. McElmurry who was not eligible, having been elected to the board of directors. The board of inquiry is J. B. Parker, A. Nelson, P. M. Kirkland, D. A. Dodge, W. H. Murphy, C. P. Wells, C. O. Butler, Verd Hill and Dr. Butler. The report of the treasurer of the cannery showed that the institution is in good condition and practically out of debt.

A vote of thanks to the retired board of directors was tendered on motion of one of the thoughtful stockholders who no doubt knows how to sympathize with grateful workers.

Mr. and Mrs. J. H. Mitchell of Portland have a baby boy that arrived last week weighing nine pounds. Mrs. Mitchell was formerly Miss. Edith Lines of this place.

The Independence Dramatic Club will present the three act drama, "The Face at the Window" at the opera house Tuesday, March 16.

Mr. and Mrs. E. E. Paddock entertained the "Owls" Wednesday evening.

Will Have Horse Show

Salem, Oregon, has chosen April 3rd as the date for her annual spring horse show, and her Board of Trade is taking active steps in preparation for the greatest show ever held in the Capitol City. F. J. Hughes has been chosen president, J. L. Stockton vice-president and F. A. Welch secretary. C. W. Yankke will act as chief marshal of the day.

WOULD REMOVE STATE CAPITAL

CHERRY CITY STANDS CHANCE TO LOOSE LEGISLATURE

Kellaheer of Multnomah Starts Initiative and Referendum Ball Rolling Which May Result in Removal of Capitol Buildings to Portland

Having secured the hostility of the eastern and southern counties against Marion county, by egging Smith of Marion on to abolish the state normal schools and locate one large central normal school at Portland, the Portland politicians have already started their campaign to remove the capitol to Portland, says Capital Journal. It will be seen that the leading spirit to abolish the normal schools, next to Smith and Bowerman, both Marion county men, now take the lead to remove the capitol to Portland.

Following from the Portland evening papers discloses the situation which Salem and Marion county people are up against:

At the meeting of the East Side Businessmen's Club last night in the Healey building, initiative petitions were adopted for locating the Multnomah county court house on the East Side and removing the seat of government from Salem to Portland and also locating the state house on the East Side.

State Senator Kellaheer said the members of the legislature are favorable to removing the state capitol to Portland. He also asserted that the state house at Salem must soon be replaced, for the reason that it is falling to decay, and is admittedly dangerous for occupancy. Petitions for removing the seat of government to Portland, he said, have been prepared for circulation all over the state. A committee was appointed last night to assist in circulating the petition in Portland.

Would Steal Our Normal

Seriously, if the capitol should be changed to East Portland then let Salem go after that one big normal school. The latter would be worth ten times more than the capitol—as a business bringer—Salem Statesman

All are cordially invited to attend a series of openings to be given at the C street Millinery store Saturday, March 13, and each following Saturday when new and stylish designs will be shown. Remember the place, next door to the photograph studio.

WILL RETURN TO MAKE HOME

Herman Lembke, a contractor and builder from Canastota, S. D., was in this city this week, the guest of Henry Mott. Mr. Lembke is so much interested in this section of Polk county that he has decided to return to Oregon about September to make his home. He says that there will be a large emigration from South Dakota this summer. Speaking of the state in general Mr. Lembke said: "You people out here in Oregon have got everything that could be desired as an inducement to home seekers. It is true that I have come here when the country does not show off at its best, but I have seen enough to satisfy me that the best years of my life have been spent in sections of the United States which have no comparison to Oregon. I believe that I can say in all seriousness that Oregon leads all other states with inducements for new comers, and there is no question that you will have them. Yes, I am coming back to Oregon as soon as I can get my affairs closed up in South Dakota."

Emigration Pouring In.

They are coming. People from every part of the United States and Canada are pouring into Oregon at the present time at a rate never before equalled, and there is evidence that the travel during the entire colonial period will be enormous. Many communities are busy sending out leaflets giving the low rates from twenty or twenty-five points, others have the information printed at the top of their stationery and on their envelopes. Every reader of this paper should see that such a leaflet goes in each letter he sends to people at a distance. School boys and girls all over Oregon are doing their part. Remember this rate is good until the last day of April.

Ask your Pharmacist for a 50-cent case of Pape's Diapepsin and take one triangle after supper tonight. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach. Nausea, Debilitating Headaches, Dizziness, or intestinal griping. This, will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.
