## MANY WILL BE HELPED BY IT

Tells How to Prepare a Simple Mixture To Overcome Disease

To relieve the worst form of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime.

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggist, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription forces the clogged up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly.

### It Was a Hit.

Homer Davenport's story of his boyhood life in Oregon begun in the January issue of Human Life made the hit that was predicted for it and Mr. Davenport sustained his reputation for humor and wit and his ability to entertain. See our ad. "The Oregon Magazine Hit of 1909" on another page. It will pay you to read it. It is given absolutely free with a year's subscription to the Enterprise during the month of February and March. Pay a year in advance and get the magazine.

Foley's Kidney Remedy will cure any case of kidney or bladder trouble that is not beyond the reach of medicine. Cures backache and irregularities that if neglected might result in Bright's disease or diabetes. P. M. Kirkland.
