There are two kinds of whiskey. One is-the other isn't.

from proper distillation and ageing—That's what makes it REAL whiskey. The kind that IS contains all the constituents that come

The kind that ISN'T is made of alcohol, prune juice and bead oil or is simply alcohol put in charred barrels, and branded whiskey.

The Pure Food Law aims at having the consumer get exactly what he calls for.

When you call for whiskey ask your dealer if it will respond to a government laboratory test.

Ask him if he guarantees it.

Then you will know what you are paying your money for. Buy the brand you know, the standard for 70 years. Cyrus Noble-pure whiskey-all whiskey-old whiskey.
