

BOOSTERS TO GET TOGETHER

All BOOSTERS ORGANIZATIONS INVITED TO EUGENE

All Cities of Oregon Which are Working for a Greater Oregon Should Send Delegates to the Great Meeting to be Held May 4.

Community advertising has reached a climax in Oregon and an advertising Conference under the auspices of the Oregon Development League will be held at Eugene on Tuesday, May 4th, with the Eugene Commercial Club in charge. The Secretary, Manager and President of every commercial organization in the state are expected to be present on this occasion to participate in a discussion which cannot be other than beneficial to all concerned.

All the visitors will meet at the Eugene Commercial Club Tuesday morning, May 4th, at 9:30, when a local committee will take them for a ride over the city to show what has been accomplished in the way of paving streets, new parks and buildings, with a brief stop at the State University. A business conference will convene promptly at 1:30 in the afternoon at the Commercial Club rooms, and the entire afternoon will be devoted to a discussion of work actually accomplished by the different organizations.

No state in the Union has carried forward an advertising campaign superior to that now being handled by the Commercial bodies of this conference is called in hope that all may be benefitted, and that each one present will be able not only to give but to receive information, advice and instruction which will be of service to the individual communities, and for that reason of great help to the state at large.

A theatre has been engaged for the evening where Oregon views will be shown with a streopticon.

Mr. Lytle Wins

In the Garibaldi pass case, Mr. Lytle won in the supreme court yesterday. He says this will decide his road to build down that beach this

year. It will put that beautiful beach, stretching about ten miles between Tillamook and Nehalem bays, into direct communication with Bay City where the Lytle railroad is already finished. The fight was really one between Harriman and Hill. There are other ways for Mr. Hill to get into and through that country, however. Everything is working to put greater value into lots at Bay City. A limited number only will be sold at the present prices and they are going fast. Then the prices on all that are left will be doubled.

Wonderful Bicycle Tricks

Since bicyclists first gained their wonderful vogue, great interest has been evinced at the number and variety of tricks that could be accomplished upon the wheels. Each troupe of expert cyclists try to outdo the other hazardous accomplishments and many are the difficult tricks performed on the whirling wheels, but it is remained for the Valdons, a troupe of seven young men and women dare-devils to invent all new feats of a sensational nature.

Norris & Rowe brought the Valdon Troupe from Europe where they were a sensation for several seasons in the huge hippodromes of England, France, Russia and Germany. Admirers of trick and fancy riding are legion and those who ride at all can best appreciate how difficult are the tricks performed by the Seven Valdons. Up on the high elevated stage under the mammoth waterproff tents of the Norris & Rowe show, the Valdons execute a number of the most astonishing and breath compelling maneuvers. Down they dash, the seven in a row with their arms entwined, then go rapidly into various figures, then the girls mount upon the shoulders of the young men three and four high and then from their dizzy perch aloft they gracefully turn backward somersaults to the ground. Then comes the difficult rick and fancy riding until one gazes in spell bound admiration for the flying, graceful figures.

It is indeed a wonderful act and sends the big audiences away wondering how on earth the young men and women accomplish such seemingly impossible tricks. The Valdons are but one of the more than a hundred acts that will be seen when Norris & Rowe exhibit. Salem Thursday April 29.

NEEDFUL KNOWLEDGE

Independence People Should Learn to Detect the Approach of Kidney Disease

The symptoms of kidney trouble are so unmistakable that they leave no ground for doubt. Sick kidneys excrete a thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, headaches and dizzy spells may occur and the victim is often weighted down by a feeling of languor and fatigue. Neglect these warnings and there is danger of dropsy, Bright's Disease, or diabetes. Any one of these symptoms is warning enough to begin treating the kidneys at once. Delay often proves fatal.

You can use no better remedy than Doan's Kidney Pills. Here's Independence proof:

Mrs. Jos. Whitford, Independence, Ore., says: "Doan's Kidney Pills helped my husband a great deal when suffering from kidney complaint and backache. At times he would be so stiff that he could hardly move and if he attempted to stoop, sharp pains would catch him in the kidneys. The kidney secretions were so frequent as to force him to arise many times during the night. He procured a box of Doan's Kidney Pills at P. M. Kirkland's Drug Store and noticed a great change for the better in a short time. He now feels much improved in every way. We are glad to give Doan's Kidney Pills our recommendation.
