Working Westward
Right of way agents of the United Railways are working westward towards Tillamook county. There is no doubt that the announcement of the president of that company that his road going to Tillamook bay will be fulfilled and as quickly as possible. And it is possible this year. With the Lytle road and the United Railways in operation, property in Bay City will be worth four times present prices. Some of it eight and ten times and more. Do you want your lot now, or after these two roads are in operation—one steam and the other electric. Do you say, when the prices are soaring, that you did not have fair warning. Act promptly. Do it now.

Beware of Ointments for Catarrh That Contain Mercury as mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surfaces. Such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is derivable from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by all druggists, 75c. Take Hall's Family Pills for constipation.
